Crane Lift & Road Closure Notice: Metropolitan Avenue & 70th Drive

Forest Hills Reliability Project

Crane Activity Notice | November 2026

Dear Neighbors:

On Friday, November 20th, 2026, a temporary one-day road closure will be in place at 70th Drive and Metropolitan Avenue during our regular work hours of 9:00 a.m. to 3:00 p.m. The closure is necessary to position a crane on the south side of Metropolitan Avenue for increased safety for drivers, pedestrians, and crews while equipment is lifted onto our property. This lift is an important step that brings the Forest Hills Reliability Project closer to completion.

What to expect:

- **There will be a three-lane closure on Metropolitan Avenue and 70th Drive during work hours.**
- Drivers should follow posted detour signs and directions from traffic flaggers around the closure.
- Local access to nearby homes and businesses will be maintained whenever it is safe to do so.
- Temporary parking restrictions may be posted near the work area. Please check signs carefully and move vehicles as directed.
- The closure will be removed as soon as the crane work is safely completed.

For safety, please follow all posted signs, allow extra travel time, and do not enter the work zone. We appreciate your patience while this short-duration work is completed. If you have questions, please contact our team below.

Sincerely,

National Grid Project Engagement Team
