nationalgrid

Building a smarter, stronger energy future to better serve your community.

Linden Boulevard & Malta Street

Upcoming Construction | November 2026

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood.

Project details:

National Grid will be upgrading the existing gas infrastructure in your neighborhood. The project will enhance the resiliency of your local energy system.

What to expect:

- **Roadway Excavations.** Crews will excavate portions of the roadway to install and test upgraded infrastructure.
- **Traffic pattern changes during work hours.** There will be periodic road closures during work hours due to specific project activities. A traffic flagger will be onsite to safely direct vehicles and pedestrians through the work area.
- **Road Plates.** The project site will be secured with road plates during non-work hours.
- **Restoration activities.** Temporary restoration will be completed as needed, followed by final restoration once work is complete.
- **Materials and Equipment.** Crews will store necessary materials and equipment on Linden Boulevard between Malta Street and Alabama Avenue, and between Malta Street and Louisiana Avenue.
- **For your safety please do not enter work zones and be mindful of traffic cones and signs.**
