Re : OASIS Posting – National Grid Affiliate

Pursuant to the requirements of Section 3.4, Schedule 25 of the ISO-NE Tariff, Transmission Owners are required to post on OASIS an advance notice that it is going to participate in a Scoping Meeting with an Interconnection Customer that is also an Affiliate. National Grid accordingly is posting the following statement regarding a scoping meeting that will take place on Friday June 23rd, 2017 at 1:00Pm for ISO-NE QP651, Alps to Berkshire AC ETU with an affiliate, Grid America Holdings Inc.

The Scoping Meeting attendees will include representatives from National Grid's affiliate Grid America Holdings Inc., as well as National Grid, VELCO, Eversource, NYISO, and ISO-NE.
