

ISO 14001

Certificate of Registration

conferred upon

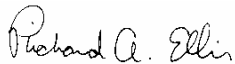

NATIONAL GRID

25 Research Drive, Westborough, MA, USA (additional sites listed in attachment)

SCOPE OF REGISTRATION: TRANSMISSION ORGANIZATION, ELECTRIC DISTRIBUTION ORGANIZATION, AND SHARED SERVICES ORGANIZATION (EXCLUDING LEGACY KEYSpan); AND GAS DISTRIBUTION ORGANIZATIONS

Having been examined in detail for conformance to the requirements of ISO 14001: 2004, and having been determined by Advanced Waste Management Systems, Incorporated, the Registrar, to be in conformance with all provisions of this international standard, the Environmental Management System of the organization is hereby registered to ISO 14001: 2004 on December 14, 2006. The scope of this registration includes all operations and activities of the organization as specified above. **The re-registration due date is December 14, 2009**, providing the organization maintains its Environmental Management System in accordance with the specifications of ISO 14001: 2004 and the requirements of the Registrar. Advanced Waste Management Systems, P.O. Box 100, Hixson, TN 37343, is an "ANAB EMS Accredited Registrar."

In witness whereof this Certificate of Registration is granted and the Mark of Registration and our signatures are hereunto affixed.

Richard A. Ellis, Ph.D.
Arbiter of Registration

James N. Mullican, P.E.
