We're here to help.

We understand these are uncertain times. The price of energy, in addition to the rising costs of other goods and services, continues to make headlines and cause concern.

We can help with solutions to manage your bills and energy use.

Fuel help and year-round assistance.

Stay up-to-date on available fuel assistance and year-round programs that can help at <https://www.masscap.org/heatinghelpma>

Whenever you're concerned about paying your energy bill, let us know. If you cannot pay your bill in full, you may be eligible to pay the past-due balance over time. See below for more ways we can help:

Call 811 before you dig.

Spring means outdoor projects — such as planting shrubs or adding fencing, a pool or a deck. Whether doing it yourself or hiring a professional, always call 811 before digging to have underground lines marked. It's free, it's the law, and it could prevent loss of life, injury and property damage.

Call **811** or **1-888-DIG-SAFE (344-7233)** or visit digsafe.com

The big picture on reliability.

Trees and limbs falling on power lines are the biggest cause of electric outages during storms, which makes vegetation management a critical part of ensuring your safe, reliable service. With thousands of miles of lines to inspect across our service area, we're using satellite imagery to better see where overgrown vegetation could threaten reliability and predict growth up to five years in advance. We're proud that our pruning program is approved by the National Audubon Society.
