

nationalgrid

We are upgrading infrastructure to provide better service to your community.

130th Place, Queens, NY | July 2025

Dear Neighbor:

We are reaching out to update you regarding construction activities on 130th Place in Queens, NY.

Thank you for your patience as we strive to complete this important work. Earlier this year National Grid began relocating a section of our infrastructure to make room for airport upgrades. The majority of construction efforts have now been completed. The next step in the construction process will be testing the newly installed infrastructure. During this time, you can expect minimal onsite activity, aside from our crews actively monitoring testing for safety assurance. The testing schedule will adhere to the following hours:

Date	Work Hours
Monday, July 21st	12 Hour Monitoring (7AM – 7PM)
Tuesday, July 22nd	12 Hour Monitoring (7AM – 7PM)
Wednesday, July 23rd	24 Hour Monitoring
Thursday, July 24th	12 Hour Monitoring (7AM – 7PM)
Friday, July 25th	12 Hour Monitoring (7AM – 7PM)
Saturday, July 26th	12 Hour Monitoring (7AM – 7PM)

Once testing is complete, the next phase of the project is scheduled to commence in October 2025. The project is currently scheduled to conclude in Fall 2025.

For your safety, please do not enter work zones and be mindful of work zones during and after construction hours. Due to the complexities of outdoor construction, schedule subject to change.

Please do not hesitate to reach our team at the number or email below with any questions or concerns. Thank you for your continued patience as we work to complete this important project.
