

Upcoming construction activities in your neighborhood

Astoria Boulevard Upgrade | July 2026

Dear Neighbor,

Our crews are currently performing an infrastructure improvement project on 97th Street, north of Astoria Boulevard, extending into the intersection. This work will strengthen our utility system and help ensure continued reliable service. **We anticipate the project will take approximately eight weeks to complete.**

There will be no interruption to gas service during this work.

What to expect:

- **97th Street at Astoria Boulevard will be closed to traffic during work hours.** Traffic flaggers will be onsite to assist motorists and pedestrians.
- **The crosswalk on 97th Street**, north of Astoria Boulevard will be temporarily impacted during construction.
- Parking near the work zone will be temporarily impacted during construction.
- At the end of each workday, crews will secure and cover excavations to restore normal traffic flow.
- Construction materials and equipment will be staged along the north-side parking lane of Astoria Boulevard and on 97th Street throughout the project.
- Once the work is complete, crews will backfill and restore impacted areas to NYC DOT specifications.

For your safety do not enter work zones during and after construction, please be mindful of traffic cones and signs.
