

# Upcoming construction activities in your neighborhood

Astoria Boulevard Upgrade | June 2026

Dear Neighbor,

**Starting in June**, our crews will begin work on 97th Street, north of Astoria Boulevard, extending into the intersection. This project will strengthen our utility infrastructure and support reliable service. We anticipate **the work will take approximately eight weeks to complete.**

**There will be no interruption to the gas service for our customers.**

## What to expect:

- **Traffic will remain open on 97<sup>th</sup> Street**, expect lane-shifts and shoulder closures during work hours. A traffic flagger will be onsite to assist vehicle and pedestrian traffic.
- **Parking near the work zone will be impacted during construction.**
- Crews will secure and cover excavations after construction hours with road plates to restore normal traffic flow.
- **There will be materials and machinery storage** on the north side parking lane of Astoria Boulevard and on 97<sup>th</sup> Street throughout the project.
- Once the work is complete, crews will backfill and restore impacted areas to NYC DOT specifications.

**For your safety do not enter work zones during and after construction, please be mindful of traffic cones and signs.**
