

Upcoming construction activities in your neighborhood

Bedford Avenue Maintenance Project | June 2026

Dear Neighbor,

Beginning in late June, our crews will be excavating one location within the roadway on Bedford Avenue between Park Avenue and Myrtle Avenue. This excavation will be made to inspect underground utilities and perform any necessary maintenance. **This work is anticipated to take 6-8 weeks to complete.**

There will be no interruption to the gas service for our customers.

What to expect:

- **Traffic will remain open on Bedford Avenue**, expect lane-shifts and shoulder closures during work hours. A traffic flagger will be onsite to assist vehicle and pedestrian traffic.
- **Parking and the northbound bike lane will be impacted on Bedford Avenue between Park Avenue and Myrtle Avenue**, there will be bike lane detour around the work zone.
- Crews will secure and cover excavation after construction hours with road plates to restore normal traffic flow.
- An FDNY firetruck will be temporarily staged just north of the work zone in the west side parking lane of Bedford Avenue.
- There will be materials and machinery storage just south of the work zone in the west side parking lane of Bedford Avenue.
- Once the work is complete, crews will backfill and restore impacted areas to NYC DOT specifications.
- **For your safety do not enter work zones during and after construction, please be mindful of traffic cones and signs.**

**Smell gas?
Act fast.**
