Bush Terminal Upgrade – Phase 2 | Brooklyn, NY

October 2026

Dear Neighbor,

Beginning the week of October 26th, crews will return to resume construction. This phase of work will retire the former station at 31st Street, near 3rd Avenue.

To complete portions of this work safely and efficiently, there will be two temporary periods when **crews will be on-site 24 hours a day to monitor the work zone**. The remaining work is expected to be completed in November*.

What to Expect:

- Week of **October 26th through November 2nd:** 24/7 monitoring.
- Week of **November 9th through November 16th:** 24/7 monitoring.
- Week of **November 16th:** Work resumes to 9:00 a.m. to 4:00 p.m. working hours.
- Intermittent parking and traffic impacts on 31st Street; local traffic will be permitted.
- Crews will work to minimize impacts to the community while maintaining a safe and secure work zone.

We appreciate your patience and understanding as we complete the final phase of this work. **Do not enter work zone during and after work hours and follow all posted traffic signage.** Please contact us at the information below for any questions or concerns. Thank you.

**Schedule is subject to change due to weather and extended work may be necessary.*

Sincerely,

Project Engagement Team
