

Upcoming Construction Impacts: Crane Lift

Bush Terminal Upgrade | January 2026

Dear Neighbor,

As part of our ongoing construction work in your neighborhood, please be advised a crane will be on site beginning **Friday, January 16, 2026**. This equipment is necessary to safely and efficiently complete this phase of the project. Due to this work, **31st street will be closed to traffic while the crane is active on site.**

WHAT TO EXPECT:

Parking Impacts: Certain parking spaces near the construction zone will be temporarily unavailable. Notices will be posted prior to construction.

Noise: Crane operations and related work may generate elevated noise levels during normal construction hours.

Traffic Flow: There will be intermittent road closures or detours to ensure the safety of this work.

Hours: Work is expected to be completed in one day, however due to critical activities work may run later than usual.

We appreciate your patience and understanding as we work to complete this project. Our team is committed to minimizing disruptions and maintaining a safe environment for the residents and businesses on 31st Street.

If you have any questions or concerns, please contact Project Engagement Team.

For your safety, please do not enter work zones and be mindful of work zones during and after construction hours.
