

# An update on construction activities in your neighborhood

## Bush Terminal Upgrade | Brooklyn, NY

May 2026

Dear Neighbor,

We are writing to update you on construction activities in your neighborhood. We understand this may cause some disruption, and we are grateful for your patience and understanding while the work is underway on 31<sup>st</sup> Street.

Beginning on **May 11<sup>th</sup>**, we will be evaluating the new infrastructure and preparing the system for final approvals and restoration. This process will take approximately three days and will involve increased overnight noise. We share this in advance to let you know what to expect during this phase, and we appreciate your patience during this important work.

Following this evaluation, expect crane activity on site within the first two weeks of June. **31<sup>st</sup> Street between 3<sup>rd</sup> and 4<sup>th</sup> Avenue will be temporarily closed to all traffic while the crane is in use. Traffic flaggers will be on site to assist and direct local traffic.**

Our team will take steps to reduce disruptions and minimize impacts while prioritizing the safety of our crews and the community. **For your safety, please be mindful of construction activities and do not enter work zones.** There will be no interruption to service for our customers.

Thank you for your continued patience as we work to complete this work as safely and quickly as possible. Our team will continue to keep you informed of any changes, milestones, or key activities throughout the duration of the project. If you have questions regarding these activities or the project, please do not hesitate to reach out to me directly **(516) 855-7608**.

*Please note, all dates are subject to change, and we will continue to keep you updated.*

Sincerely,

Toni Desrosiers

Project Engagement Team: (516) 855-7608
