

An update on construction in your neighborhood

Bush Terminal Upgrade | Brooklyn, NY

October 2025

Dear Neighbor,

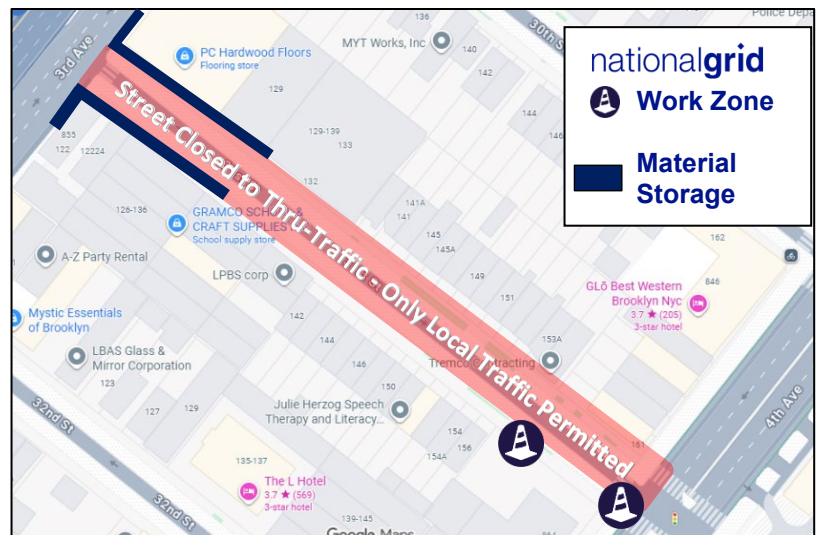

We are writing to inform you about National Grid construction in your area. National Grid will begin a two-phase infrastructure upgrade project this fall, beginning on/or around November 17th. An upgraded station will be installed on **31st Street, towards the corner of 4th Avenue**. This upgrade is part of our ongoing efforts to enhance system reliability and support future operational needs.

Phase 1: Starting this fall and continues through summer 2026.

Work Hours M-F, 9AM – 4PM located near **31st Street and 4th Avenue**.

Phase 2: Retirement of the existing station in Fall 2026, located near 31st Street and 3rd Avenue.

We understand the impact this upgrade will have on your neighborhood and will try to mitigate impacts to our best ability. **31st Street will be closed to traffic during construction hours. Local traffic for residents and businesses will be permitted. Parking will be impacted on 31st Street.** Phase 1 work will be in the sidewalk and roadway with traffic flaggers on site to assist pedestrians and motorists. **Materials and equipment will be stored on 31st St. and 3rd Ave. for the duration of this project.**

Our Project Engagement Team will continue to keep the community informed of any changes, milestones, or key activities throughout the duration of the project. Thank you for your continued patience and understanding as we work to complete the Bush Terminal Upgrade project. For questions and concerns, please reach out to our project engagement team below. **For your safety, please do not enter work zones during and after work hours.**

There will be no interruption to service for our customers.
