We are upgrading infrastructure to provide better service to your community.

Albany, NY | March 2026

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood.

Project details:

National Grid will be installing new gas infrastructure in Albany on Central Avenue to better serve our customers. This work will enhance the reliability of your local energy system.

Work will begin in April 2026 as soon as weather permits, and we anticipate completing this work in October 2026.

Please note, as part of this work there will be service transfers and interruptions. Our crew will give more specific information as it is available.

Neighbors can expect to see the following during construction:

- **Excavations in the roadway.** Installing new infrastructure and testing new infrastructure.
- **Traffic pattern changes during work hours.** Please be aware of flaggers and construction traffic signs and cones.
- **Road Plates.** The project site will be secured and plated during non-work hours with steel street plates.
- **Restoration activities.** Temporary restoration and then final restoration activities at the end of the project.
- **For your safety, please do not enter work zones and be mindful of work zones during and after construction.**
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call or email our team.
