

# Corona Maintenance – 2<sup>nd</sup> Ward Project Fact Sheet

## Project Overview

National Grid continuously evaluates opportunities to enhance the reliability of its energy delivery networks. In the coming months, we'll be working to update the delivery system on 98<sup>th</sup> Street, 50<sup>th</sup> Avenue, 97<sup>th</sup> Place, Christie Avenue and 45<sup>th</sup> Avenue. Once complete, this work will allow us to better serve the energy needs of our area customers.

## Our Commitment

Community outreach is a vital part of our work. Our dedicated Corona Maintenance – 2<sup>nd</sup> Ward Project Team is committed to actively working with local officials, residents, local businesses in Corona, Queens to solicit feedback and maintain an open dialogue throughout this important maintenance project.

Our dedicated Corona Maintenance – 2<sup>nd</sup> Ward Project Outreach Team wants to make sure you have all the information you need prior to construction so that we can help mitigate inconveniences to the greatest extent feasible.

We have launched a dedicated project webpage – [ngrid.com/secondward](http://ngrid.com/secondward) -- which will feature weekly construction updates with information regarding work locations and timelines as well as a project specific outreach phone line -- 929-322-0143 -- to field your questions, concerns, and comments.
