

An update on construction activities in your neighborhood

Forest Hills Reliability Project | August 11, 2026

Update 2

Dear Neighbor,

We appreciate your patience as we make important upgrades to the local energy system. These improvements are designed to strengthen system reliability and help ensure safe, dependable energy service for homes and businesses within the community. **To keep you informed, we've provided an update on construction progress and upcoming work in your neighborhood below as of August 17th, 2026.**

Status	Project Location	What to Expect
Completed 	Installation has been successfully completed along portions of Metropolitan Avenue between 74 th Avenue and 72 nd Road and at the intersection of 72 nd Drive and Metropolitan Avenue.	These areas are being restored within the next few weeks, and crews will be moving west down Metropolitan Avenue.
Current 	Crews are currently working on Metropolitan Avenue between 72 nd Road and Continental Avenue and at the intersection of Ascan Avenue and Metropolitan Avenue.	Work in this area is expected to continue for approximately 4 to 6 weeks. Residents and businesses may experience temporary construction activity during work hours.
Upcoming 	Starting on/or around August 17, 2026, crews are expected to continue excavations and installations on Metropolitan Avenue between 72 nd Road and Continental Avenue.	This phase of work is anticipated to continue through November 15, 2026. Additional details will be provided before work begins in this section.
Traffic & Parking 	Metropolitan Avenue between 74 th Avenue and Continental Avenue.	Traffic will continue to be eastbound travel only. Parking is suspended on both sides, and parking meters are still in effect except for the meters within our active construction zones.

More information regarding work zones and timelines can be found on our project specific website:
www.ngrid.com/foresthills.

We understand construction can impact daily routines, including driveway access and parking. Our team remains focused on safety and minimizing disruptions whenever possible. Thank you for your continued patience as we complete this important work. For questions, please contact our project engagement team below.
For your safety, please follow posted traffic signs and do not enter the work zone.

**Due to the complexities of outdoor construction our schedule and work hours are subject to change.*

Sincerely,

National Grid Project Engagement Team
