Forest Hills Reliability Project Construction Update Notice #3

Metropolitan Avenue Forest Hills, Queens | October 2026

Dear Neighbor,

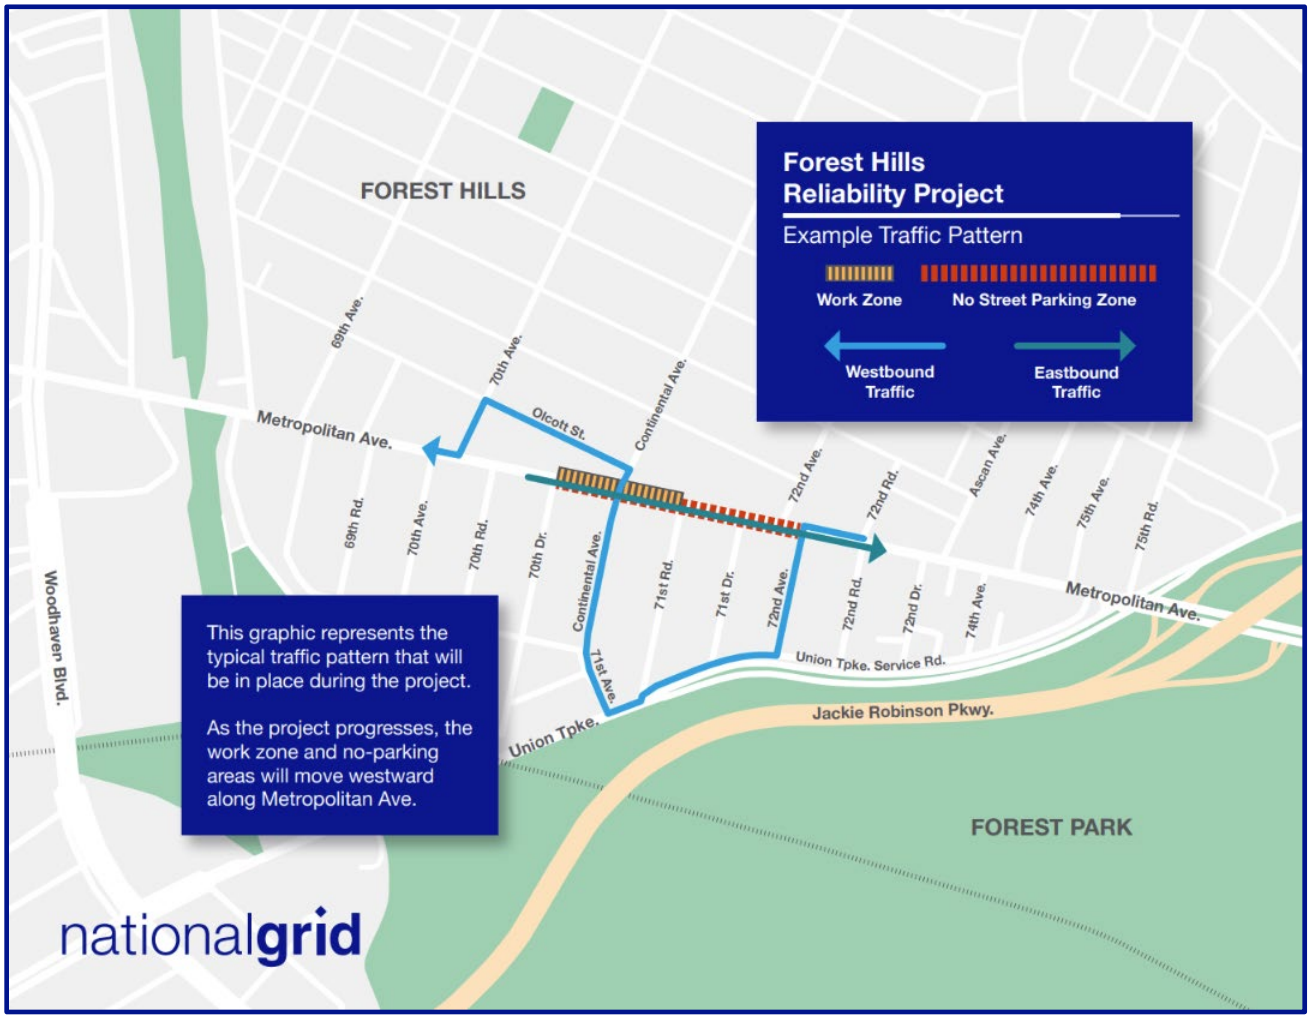

We appreciate your patience as we make important upgrades to the local energy system. These improvements are designed to strengthen system reliability and help ensure safe, dependable energy service for homes and businesses within the community. **To keep you informed, we are proving an update on construction progress and upcoming work in your neighborhood as of October 19, 2026. Construction will pause on November 15, 2026, for the holiday embargo and will resume in January 2027.**

Status	Project Location	What to Expect
Completed	Installation has been successfully completed along Metropolitan Avenue between 74th Avenue and 71st Drive.	Crews will continue restoration activities and remove remaining materials from the area.
Current (10/19/2026)	As of October 19, 2026, crews are currently working on Metropolitan Avenue between 71st Drive and 70th Drive.	Work is expected to continue for approximately **2–3 weeks**. Residents and businesses may experience **temporary parking impacts, and road plates will remain in place along Metropolitan Avenue**.
Upcoming (10/19/2026)	Starting on/or around October 19, 2026, crews are expected to continue excavations and installations on Metropolitan Avenue between Continental Avenue and 70th Drive.	This phase of work is anticipated to continue for approximately 3-4 weeks. Additional details will be provided in future updates.
Traffic & Parking	Metropolitan Avenue between 71st Drive and 70th Drive. **Please see the reverse side of this letter for a traffic pattern map.**	Traffic will remain **eastbound only**, with parking suspended on both sides of Metropolitan Avenue. Parking meters remain in effect except within active construction zones. Please see the reverse side for an **updated Continental Avenue traffic detour map**

For more information regarding work zones and timelines can be found on our project specific website: www.ngrid.com/foresthills.

We understand construction can impact daily routines, including driveway access and parking. Our team remains focused on safety and minimizing disruptions whenever possible. Thank you for your continued patience as we complete this important work. For questions, please contact our project engagement team.
For your safety, please follow posted traffic signs and do not enter the work zone.

**Due to the complexities of outdoor construction, our schedule and work hours are subject to change.*

Sincerely,

National Grid Project Engagement Team
