

An update on construction activities in your neighborhood

Forest Hills Reliability Project | September 2026
Update 3

Dear Neighbor,

We appreciate your patience as we make important upgrades to the local energy system. These improvements are designed to strengthen system reliability and help ensure safe, dependable energy service for homes and businesses within the community. **To keep you informed, we are proving an update on construction progress and upcoming work in your neighborhood below as of September 01, 2026.**

Status	Project Location	What to Expect
Completed 	Installation has been successfully completed along Metropolitan Avenue between 74th Avenue and 72nd Drive.	This area is being restored, and crews will continue removing materials on this stretch.
Current (09/01/2026) 	As of September 01, 2026, crews are currently working on Metropolitan Avenue between 72nd Drive and 72nd Road.	Work in this area is expected to continue for approximately 2-3 weeks. Residents and businesses can expect parking impacts and road plates on Metropolitan Avenue.
Upcoming (09/08/2026) 	Starting on/or around September 08, 2026, crews are expected to continue excavations and installations on Metropolitan Avenue between 72nd Road and Continental Avenue.	This phase of work is anticipated to continue for approximately 3-4 weeks. Additional details regarding the next stage of work will be provided in future updates.
Traffic & Parking 	Metropolitan Avenue between 72nd Road and Continental Avenue.	Traffic will continue to be eastbound travel only. Parking is suspended on both sides, and parking meters are still in effect except for the meters within our active construction zones.

More information regarding work zones and timelines can be found on our project specific website:

We understand construction can impact daily routines, including driveway access and parking. Our team remains focused on safety and minimizing disruptions whenever possible. Thank you for your continued patience as we complete this important work. For questions, please contact our project engagement team below. **For your safety, please follow posted traffic signs and do not enter the work zone.**

**Due to the complexities of outdoor construction our schedule and work hours are subject to change.*

Sincerely,

National Grid Project Engagement Team
