

We are upgrading infrastructure to provide better service to your community.

Fore – Jan. 2026

Dear Neighbor:

In the coming weeks, crews will begin replacing over 2,800 feet of gas main and upgrading 80 individual customer service lines along Hempstead Avenue between Broadway and Morris Avenue in Malverne.

This work will be done over three phases, with completion expected in Spring 2026. During phase one, crews will be installing the new gas main in short sections along Hempstead Ave. This installation will be performed during night-time working hours, between 9 PM and 6 AM. All excavations will be temporarily restored at the end of each work day. *Please see the reverse side for more details.*
