

# Upcoming work in your neighborhood

Hempstead Maintenance Project | June 2026

Dear Neighbor:

As part of our commitment to safety and reliability, we will be performing scheduled maintenance on our underground infrastructure from June through August 2026. This work is required to meet federal safety standards and helps ensure the continued reliability of the local energy system. Our crews will be working along Dutch Broadway and Ridge Road to install equipment used to inspect our underground system. ***There are no planned service interruptions for customers during this work.***

## Quick Project Facts:

**What:** Maintenance of existing infrastructure

**Where:** Dutch Broadway & Ridge Road

**Timeline:** 4 to 6 weeks

**Hours:** Monday through Friday, 7AM-4PM\* for excavation work. Crews will be on-site 24/7 to monitor during maintenance activities

*\*Due to the complexities of outdoor construction, schedule and works hours are subject to change.*

## What to expect:

- Excavation within the south sidewalk on Dutch Broadway and Ridge Road for installation of maintenance device (please see the map on the reverse side of this letter for reference).
- Crews will be on site 24/7 to support and monitor the work.
- Temporary traffic adjustments and parking restrictions along Dutch Broadway and Ridge Road throughout the duration of the work.

For your safety, please be mindful of traffic signs and do not enter the work zone. If you have questions or would like more information, please contact our Project Engagement team below.

Sincerely,

National Grid Project Engagement Team

# Upcoming work in your neighborhood

## Hempstead Maintenance Project | June 2026

Dear Neighbor:

As part of our commitment to safety and reliability, we will be performing scheduled maintenance on our underground infrastructure from June through August 2026. This work is required to meet federal safety standards and helps ensure the continued reliability of the local energy system. Our crew will be working along Makofske Avenue to install equipment used to inspect our underground system. ***There are no planned service interruptions for customers during this work.***

### Quick Project Facts:

**What:** Maintenance of existing infrastructure.

**Where:** Makofske Avenue and Marguerite Avenue in Elmont

**Timeline:** 4 to 6 weeks

**Hours:** Monday through Friday, 7AM-4PM\* for excavation work. Crews will be on-site 24/7 to monitor during maintenance activities.

*\*Due to the complexities of outdoor construction, schedule and works hours are subject to change.*

### What to expect:

- Excavation within the roadway on Makofske Avenue for the installation of the maintenance device (please see the map on the reverse side of this letter for reference).
- Crews will be on site 24/7 to support and monitor the work.
- Temporary traffic adjustments and parking restrictions along Makofske Avenue throughout the duration of the work.

For your safety, please be mindful of traffic signs and do not enter the work zone. If you have questions or would like more information, please contact our Project Engagement team below.

Sincerely,

National Grid Project Engagement Team
