

Hewlett – East Rockaway Road Project

Hewlett | February 2023

We are about to begin an infrastructure improvement project in Hewlett and East Rockaway that will help to provide safe and reliable natural gas to our customers. The Hewlett – East Rockaway Road Project will modernize the natural gas system in your area by replacing the existing gas infrastructure.

What to expect during construction:

- **Excavation** of the street and installation of the new natural gas main.
- **Traffic pattern changes:** East Rockaway Road will be closed to through traffic during work hours. Flaggers will be in place to accommodate local traffic.
- **Street plates.** The project site will be secured and plated during non-work hours.
- **No interruption to service** for National Grid customers.
- **Restoration** of all disturbed areas.
- **Please note, construction for this project will take place overnight.**
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.

Safety Information:

National Grid staff and contractors are required to carry photo IDs. If someone requests entry and does not have proper ID, don't let that person in. Call National Grid at 1-800-930-5003 or your local law enforcement.

National Grid does not request payment in person for work being performed. If you are solicited for money related to services, do not provide any information, and call us immediately.
