

Brooklyn Infrastructure Upgrade

Brooklyn, NY | February 2024

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood. Starting in March 2024, we will begin upgrading existing infrastructure on East 105th Street between Avenue K and Flatlands 2nd Street.

Project details:

This project will upgrade existing infrastructure to increase safety and reliability in compliance with federal regulations. **There will be no interruption to service for National Grid customers.**

- **Projected Construction Timelines:** Intermittent Work from March to August 2024
 - *Note: During intermittent work, work zones will be secured and plated during non-work hours.*
- **Where:** East 105th Street between Avenue K and Flatlands 2nd Street

** Schedule is subject to change due to weather. Specific project operations may require additional work on weekends, and extended work hours may be necessary for certain operations**

What to expect during construction:

- **Marking out** of underground utilities in the area.
- **Excavation** of the public roadway.
- **Removal and replacement** of existing infrastructure
- **Backfill and temporary restoration** of the roadway
- **Street parking may be impacted near work zones.**
- **Traffic pattern changes:** Street traffic will be open during construction with a traffic flagger to assist traffic onsite during work hours. Please be mindful of construction traffic signs and cones.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.
- **For your safety,** please do not enter work zones and be mindful of work zones during and after construction hours.

Smell Gas. Act Fast.

For gas emergency service 24 hours a day, 7 days a week call **911** and **1-800-892-2345**.

Project Facts:

- What:** Upgrading existing infrastructure
- Where:** East 105th Street between Avenue K and Flatlands 2nd Street
- When:** March to August 2024
- Hours:** Monday to Saturday 8AM – 4PM

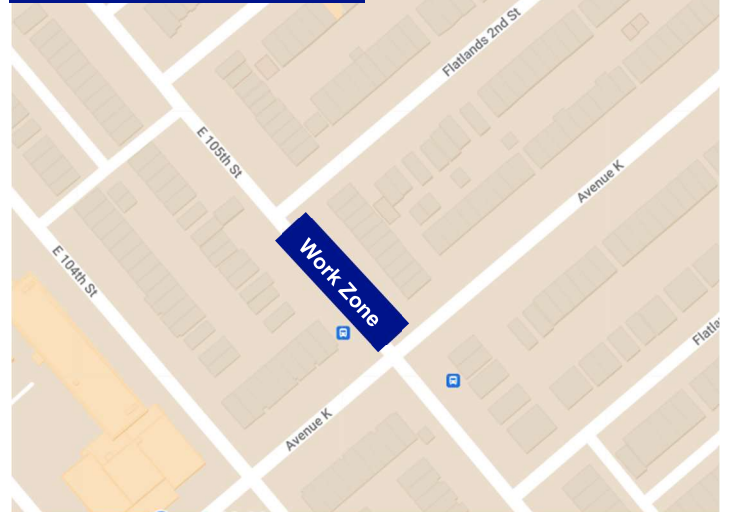

Occasional non-weekday work may be required. Schedule is subject to change due to weather. Extended work hours may be necessary for certain operations
