

We Are Upgrading Infrastructure to Provide Better Service to Your Community

Lake Ronkonkoma, NY | September 2026

Dear Neighbor.

We wanted to provide a construction update for the Lake Ronkonkoma Upgrade Project on Smith Road and Rustic Road in Lake Ronkonkoma, NY. This infrastructure upgrade project will increase the safety and reliability of service to our customers in Long Island.

Work will resume on September 08, 2026 through late-September 2026. Crews will continue excavating, testing, and replacing infrastructure on Smith Road and Rustic Road. Once complete, we will be restoring the street and impacted areas to Town of Brookhaven specifications. We anticipate completing this project in mid-to-late October 2026.

What to expect:

- **September 08, 2026 through September 25, 2026:** Excavations on Smith Road and Rustic Road.
- **Late September 2026 through early-October 2026:** Removal and retirement of old assets on Smith Road and Rustic Road.
- **Mid-to-late October 2026:** Restoration of impacted areas on Smith Road and Rustic Road will begin.
- **Traffic pattern changes on Smith Road and Rustic Road with flaggers to assist vehicular and pedestrian traffic.**

Thank you for your continued understanding and patience and we work to complete these important infrastructure upgrades in your area. For more information, please contact our project engagement team below.

For your safety, please stay out of the work zone and be mindful of construction signage and cones.

**Due to the complexities of outdoor construction, schedules and work hours are subject to change.*

Sincerely,

National Grid

Project Engagement Team
