

Upcoming construction activities in your neighborhood

Lake Ronkonkoma Upgrade- Test Holes | March 2025

Dear Neighbor,

Beginning week of March 02nd, 2025, crews will be performing test hole excavations in the roadway and/or sidewalk on Cenacle Road. Test holes are smaller excavations made to inspect underground utilities and record findings for upcoming construction activities. This work is anticipated to take 1-2 weeks to complete.

There will be no interruption to the gas service for our customers.

What to expect:

- **Small excavations** in the roadway and/or sidewalks with the use of a vacuum truck.
- **Restoration** of disturbed areas once test holes are complete.
- **Lane shifts on Cenacle Road. A traffic flagger will be on site to assist vehicular and pedestrian traffic.**
- **Impacts to parking on Cenacle Road.** There will be no parking near the work zone during construction activities.
- **Construction materials and equipment** – will be stored near the work zone during and after construction hours.

**Smell gas?
Act fast.**
