

Upcoming construction activities in your neighborhood

Lake Ronkonkoma Upgrade- Test Holes | April 2025

Dear Neighbor,

Beginning week of April 27th, 2025, crews will be performing test hole excavations in the shoulder and/or roadway on Smith Road in Lake Ronkonkoma, NY. Test holes are smaller excavations made to inspect underground utilities and record findings for upcoming construction activities. This work is anticipated to take 1-2 weeks to complete.

There will be no interruption to the gas service for our customers.

What to expect:

- **Small excavations** in the roadway and/or grass with the use of a vacuum truck.
- **Restoration** of disturbed areas once test holes are complete.
- **Traffic will be impacted on Rustic Road and Smith Road. A traffic flagger will be on site to assist vehicular and pedestrian traffic.**
- **Impacts to parking near the work zone during construction activities.**
- Construction materials and equipment – will be stored near the work zone during and after construction hours.
- **For your safety, please do not enter work zones during and after construction, and be mindful of traffic cones and signs.**

**Smell gas?
Act fast.**
