

An update on upcoming maintenance work in your community.

Lynbrook RCV Project

July 11, 2023

Dear Neighbor,

We are writing to keep you informed of upcoming construction activities on Chester Road, including **parking restrictions for tomorrow, July 12th. Residents will not have access to their driveways from 8:00 AM Tuesday, July 12th to 1:00 AM Wednesday July 13th, while we utilize a crane on site. We have created a designated parking area for Chester Road residents to use tomorrow. A map is included below for your reference.**

Beginning at 8:00AM tomorrow July 12th, a crane will be on site to perform lifts critical for the completion of our Lynbrook RCV project. Unfortunately this does mean Chester Road will be completely closed, even to local traffic. The crane will remain on site until approximately 1:00AM on July 13th.

We thank you for your continued patience as we complete this important work, and apologize for any inconvenience these temporary parking restrictions may cause. If you have questions regarding these temporary restrictions, please do not hesitate to reach out to our Stakeholder Management Team directly at (631) 213-2009 or box.liprojects@nationalgrid.com.

For your safety, please be mindful of construction activity and do not enter work zones.

Sincerely,

National Grid Stakeholder Management Team
