

We are upgrading infrastructure to provide better service to your community

Elmont | August 2026

Dear Neighbor,

We are writing to provide an update for ongoing work in your neighborhood. **Between August 3 and August 4, 2026**, our crews will complete final installations on the recently upgraded infrastructure. This work will improve the reliability of service in your area and ensure compliance with federal safety regulations.

What to Expect:

- **Parking Impacts:** Temporary parking restrictions will be in effect near the work zone. Advance notices and temporary signage will be posted.
- **Traffic:** Intermittent road closures or detours may be necessary on Marguerite Avenue. Traffic control personnel will be on-site to safely assist motorists and pedestrians as needed. Roadways will be reopened at the end of each workday.
- **Hours:** We expect the work to be completed between **7:00 a.m. and 7:00 p.m.** While we anticipate most work will be completed during these hours, certain critical activities may occasionally require crews to remain on-site later.

We appreciate your patience and understanding while we complete this important work. Our team is committed to minimizing disruption and maintaining a safe environment for residents and businesses along Marguerite Avenue. **Thank you for your cooperation** as we work to continue providing safe and reliable service to the community.

There will be no impact on service during this operation. For your safety, please do not enter work zones and be mindful of work zones during and after construction hours.
