

Muttontown Rebuild

Jericho, NY | March 2024

Dear Neighbor,

We are about to begin an infrastructure improvement project in Jericho, NY that will help to provide safe and reliable natural gas to our customers. The Muttontown Rebuild Project will upgrade existing infrastructure located at the corner of Brookville Rd. and Jericho Oyster Bay Rd.

There will be no interruption to service for National Grid customers.

What to expect during construction:

- **Jericho Water District (JWD) & PSEG Work.** The JWD and PSEG will be offsetting their utilities to prior to our infrastructure upgrades to accommodate our work.
- **Excavations.** There will be excavations in the shoulder of the roadway and grassy areas during construction.
- **Street plates.** The project site will be secured and plated during non-work hours.
- **Traffic pattern changes on Jericho Oyster Bay Road & Brookville Road.** Street traffic will be open during construction, and a flagger will be onsite during work hours. Please be aware of construction traffic signs and cones.
- **Noise disturbances.** There will be increased noise disturbances mainly at the beginning of the project while we use heavy machinery to excavate the area.
- **Restoration** of disturbed areas once the project is complete including roadways and seeding of the disturbed grassy areas.
- **Safety.** For your safety please do not enter work zones and be mindful of traffic cones and signs.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.
