

We are upgrading infrastructure to provide better service to your community.

Jamaica, Queens | August 2026

Dear Neighbor,

We are writing to provide an update for ongoing work in your neighborhood. Between **August 14 and August 16, 2026**, our crews will complete final installations, including welding, on the recently upgraded infrastructure. A crane will be onsite for four days during this period. This work will improve the reliability of service in your area and ensure compliance with federal safety regulations.

What to Expect:

- **Parking Impacts:** Temporary parking restrictions near the work zone. Advance notices and temporary signage will be posted.
- **Traffic:** Intermittent road closures or detours on Barron Street and 116th Avenue. Flaggers and traffic control personnel will be onsite to direct vehicles and pedestrians as needed. Impacted roads will be reopened to traffic at the end of each workday.
- **Hours: 7:00 a.m. to 7:00 p.m.** We expect the work to be completed within August 14 and August 16, 2026; However, due to critical activities work may run later than usual.

We appreciate your patience while we complete this important work. Our team is committed to minimizing disruption and maintaining a safe environment for residents and businesses along Barron Street and 116th Avenue.

There will be no impact on service during this operation. For your safety, please do not enter work zones and be mindful of work zones during and after construction hours.
