

nationalgrid

# We are upgrading infrastructure to provide better service to your community.

Queens, NY | January 2026

Dear Neighbor,  
We would like to inform you of upcoming work in your neighborhood.

## Project Details

National Grid will be completing a gas infrastructure upgrade in your neighborhood. The project will include installation of a new valve which will enhance the resiliency of your local energy system.

## What to Expect During Construction

- **Excavations in the roadway.** Installation and testing of new infrastructure.
- **Traffic pattern changes during work hours.** A traffic flagger will be onsite to assist vehicular and pedestrian traffic. Please pay attention to construction traffic signs, cones and onsite personnel.
- **Road Plates.** The project site will be secured and plated during non-work hours with steel street plates.
- **Restoration activities.** Temporary restoration and then final restoration activities at the end of the project.
- **Direct contact with our Project Engagement Team.** If you have questions or concerns, please call or email our team.

For your safety, please do not enter work zones and be mindful of work zones during and after construction.

## Quick Project Facts

**What:** Installation of a new valve into the local energy system

**Where:** Sutter Avenue and 106<sup>th</sup> Street

**When:** Intermittent work from Jan. 2026 - Fall 2026

**Hours:** Monday - Friday 7:00 am to 6:00 pm

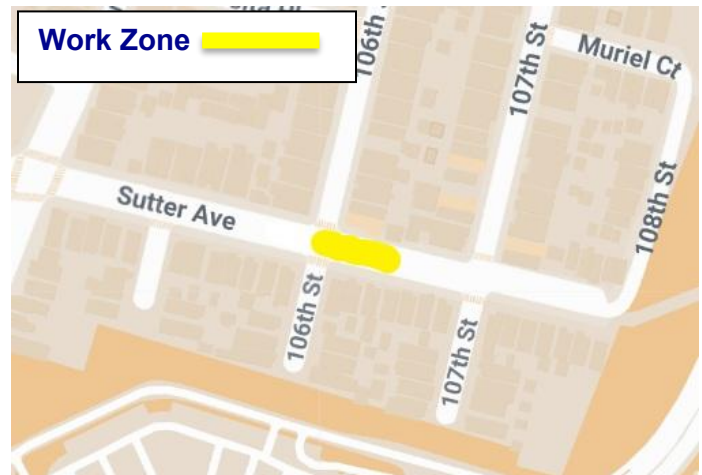

*\*Schedule and work hours are subject to change.*

**Please note: National Grid contractors and employees are required to carry photo IDs.**
