

We Are Upgrading Infrastructure to Provide Better Service to Your Community

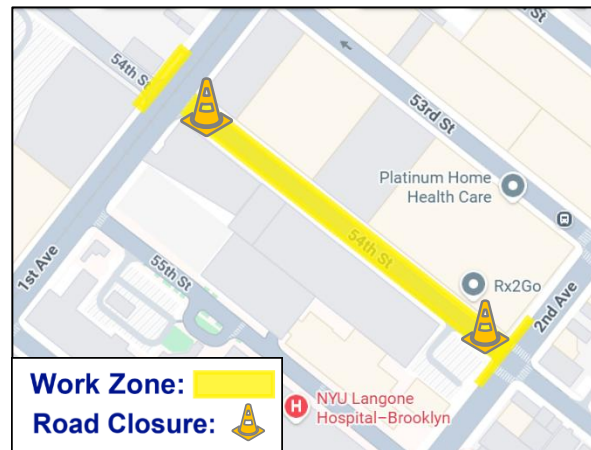

Sunset Park Reliability Project | September 2026

Dear Neighbor:

As part of ongoing efforts to maintain safe and reliable energy service, National Grid crews will be working on 54th Street between 1st and 2nd Avenues in Brooklyn to upgrade local infrastructure.

What to Expect:

- **Construction may occur 24/7 or as needed** to support project activities.
- Traffic and parking impacts may occur in active work areas.
- Crews will work with businesses and residents to accommodate when possible.
- **Road closure in late September to early October:** A temporary closure of 54th Street between 1st and 2nd Avenues will be required to install underground infrastructure crossing the roadway. *Advance notice with specific dates, access information, and traffic details will be provided before the closure begins.*

For your safety:

- Do not enter active construction areas.
- Follow all posted signs, cones, barriers, and traffic controls.
- Use caution when traveling near work zones and allow space for workers and equipment.

Questions?

Contact our team with the information below or visit: ngrid.com/sunsetpark

Thank you for your patience and cooperation as we work to improve the reliability of local infrastructure.
