

West Hempstead Improvement Project

West Hempstead, NY | November 2023

November 8, 2023

Dear neighbor,

We would like to inform you of upcoming work in your neighborhood. Beginning in November, our main replacement team will be upgrading infrastructure on Taft Street, Donlon Place, Woodfield Road, Monroe Street and Roosevelt Street. This main replacement work is being done prior to a larger project at the intersection of Taft Street and Eagle Avenue scheduled to begin in Spring 2024.

In Spring 2024, our construction team will begin our West Hempstead Improvement Project located at the corner of Taft Street and Eagle Avenue. Construction will take place from April 2024 through the Fall of 2024. This upgrade will improve system reliability and help prevent unplanned interruptions to energy service.

We thank you for your patience, as we complete this important work. If you have any questions or concerns about the work by our main replacement team, please contact ryan.condello@nationalgrid.com. For questions about the West Hempstead Improvement Project, please contact our Stakeholder Management team at the phone number or email below, or visit ngrid.com/westhempstead.

Thank you,

National Grid Stakeholder Management
