National Grid has been directed to provide the Massachusetts Department of Public utilities with a list of our residential customers in Massachusetts. We are requested to provide this information every three months to the Massachusetts Executive Office Health and Human Services (EOHHS).

The list is compared to a listing from EOHHS of residents who receive assistance from the Department of Transitional Assistance (DTA) and will determine whether you qualify for our discount rate. If you qualify, but do not already receive this rate, you will be automatically enrolled without taking any action. If approved, the rate on your bill will appear as R2.*

If you do not want to be included on this list, please contact us to be removed. You are still eligible for the discount rate even if you ask to be removed from the list.

To be removed from the EOHHS List:

Telephone: 1-877-504-9018

Email: customerservice@nationalgrid.com

Internet: www.nationalgridus.com

Mail: National Grid, EOHHS Opt Out
P.O. Box 960, Northborough, MA 01532

Due to the timing of this notice and when the list is sent to EOHHS, it is possible that you will be included. Once you have notified us that you do not want your information sent to EOHHS, we will remove your information from subsequent lists.

**If you are currently a customer on the R2 rate, you are not able to opt out at this time. Should this change, you will be notified. Thank you.*
