| G-53 High Load Factor Large | Your annual usage is more than 180,000 therms |

Rates for Condominium Common Areas

Under Massachusetts regulation, a condominium may elect to bill its common area on a residential rate or any lower commercial rate. The billing status may be changed once every 12 months, upon written request, and will be effective thirty (30) days after receipt of the request. For a condominium account review, please write us at: 25 Second Avenue, Waltham, MA 02451.

Please check your rate code to be sure you are billed on the correct rate code, which can be found on your bill. If you are billed incorrectly, please contact us.
