# Questions & Answers About the Discount Rate

## Who is eligible for this rate?

Applicants for these rates must be the customer of record and provide proof of current enrollment at the time of application in one of the programs listed above.

HEAP recipients will be enrolled automatically.

## How long will the discount last?

Enrolled customers will be billed at the discount rate for 14 months from the date of enrollment.

## Is this a discount off the entire bill?

No. The discount applies to the Gas Delivery Charge. Your bill also includes a Gas Supply Charge, which is the cost of natural gas. This cost is passed on directly to all customers at the price we pay to our suppliers.

## How much can I expect to save?

Savings will vary by customer because the amount of the Gas Delivery Charge, to which the discount applies, varies based on individual gas use.
