Upstate New York

New York State Public Service Commission (PSC) rules and the Home Energy Fair Practices Act (HEFPA) provide comprehensive protection for residential customers of gas and electric utilities. HEFPA requires that consumer protections be provided by both National Grid and Energy Service Companies (ESCos). This brochure is provided annually by National Grid and includes basic information about the Company's policies and procedures, as well as your rights as a customer billed under residential rates.

Payment Agreements
National Grid is happy to assist you in finding a repayment method that best suits your current financial situation. Whether you need a short term collection arrangement or a longer term deferred payment agreement, our agents can assist. Staying current on any plan will ensure the account has no collection action taken on it.

A collection arrangement is a short-term (40 days or less) repayment plan with flexibility to customize each installment’s due date and amount. These payments would be in addition to your current charges. A collection arrangement need not be signed, but a written copy of your agreed terms and conditions must be provided upon request. Please refer to our Payment Options brochure for more information – nationalgrid.com/bill help

Service or Billing Questions
To ask about your National Grid service or your bill, call 1-800-642-4272, weekdays 7 a.m. - 7 p.m. You may also access our Automated Account Services line at 1-888-932-0301 for day-to-day transactions such as account balance information, last payment information, proposed Budget Plan payment amounts or to enroll in the Budget Plan.

You may also visit nationalgridus.com for a number of convenient online self service options. Choose links to access your National Grid account details and electric or gas usage history, find out about payment options, and stop or start National Grid service. You may also reach us via email from our website at nationalgridus.com.

To report an electric or life-threatening gas emergency, please call 1-800-882-2345 or call 911. For electric emergencies, please call 1-800-887-5222.

Your satisfaction is important to us; therefore, if after speaking with one of our representatives, you believe your question has not been resolved, please ask to speak with a supervisor. If we are unable to help you, you may contact the New York State Public Service Commission online at dps.ny.gov/complaints, by calling 1-800-342-3377 (toll free), 8:30 a.m. - 4 p.m. Monday-Friday, or by mail: New York State Public Service Commission, Empire State Plaza, Albany, NY 12223.

Our bills, which are sent monthly, show the amount of gas and/or electric you have used. Bills can be paid online at nationalgridus.com, by phone using our automated payment service, by mail using the return envelope enclosed with your bill, or at an authorized payment agent that accepts National Grid bill payments. Please note that many payment agents charge a fee for this service. Our free DirectPay program can transfer your bill payments automatically from your bank account.

Budget Billing
Our Budget Plan takes the seasonal differences out of your monthly energy bill. Under this plan, we look at your energy use over the past year and estimate your annual energy costs. We then divide that amount into 12 monthly payments. This is particularly helpful if you heat with electric or gas.

Meter Reading & Access
It’s important that we access our meter for readings, inspections and maintenance. In accepting service, you grant the Company the right to access your premises at reasonable times. By law, our meter readers are permitted to enter unlocked private property at all reasonable times to access our equipment and meters.

If we are unable to read the meter for six months or three billing periods of calculated bills, whichever is greater, we will send you a “no access” notice or contact you requesting that you either provide us with a reading or arrange access to the meter.

If the meter has not been read in eight consecutive months or four billing periods, whichever is greater, you or your building owner may be subject to a $25 charge on your next bill.

For your protection, every National Grid employee carries a photo identification card. Always ask to see this card before granting entry to your home. Also, before entering, National Grid employees are required to knock and announce their presence to you.

Estimated Readings
We use actual readings based on automated meter readings to determine your monthly bill. There may be rare occasions for using estimated readings, such as severe weather or equipment failures. We also continue to use estimates for connecting and disconnecting service.

Inactive Gas Meters
All premises with open gas meters must have an active customer on the gas account. Open meters at premises with no responsible customer will either be locked or removed, or the service line supplying gas to the premises will be cut off. Customers terminating service should coordinate an appointment to lock the meter.

Residential Rights and Responsibilities for National Grid Customers in Upstate New York (cont.)

A deferred payment agreement is a longer term repayment plan with a fixed monthly installment amount over and above current charges. A deferred payment agreement must be signed. A standard deferred payment agreement generally requires a 1½% down payment, with the balance payable in ten monthly installments. More lenient terms are available if you qualify financially. A more lenient agreement may provide for as little as zero dollars down and payments as low as ten dollars a month. For a more lenient agreement, you may need to provide the appropriate income and expense related documents. Please call for more information. It shall be the right of every residential customer of a gas or electric corporation, upon the discontinuance of utility service, to obtain, upon request, an actual meter reading by such customer’s gas or electric corporation.

Special Protections
National Grid provides special protections for elderly, blind and disabled persons; persons with medical emergencies; and customers receiving public assistance. Supplemental Security Income benefits, or additional state payments. We will work with customers to make a satisfactory payment arrangement and notify local social services if appropriate. We will not disconnect service during a health or safety emergency however, you will still be responsible for paying the bill. We will notify and work with persons in two-family dwellings where service is not metered separately.

Medical Hardship - If you or a member of your household are faced with a medical emergency, you will need to contact us to provide pertinent information. To renew the medical hardship agreement you will be required to provide financial information to determine if your line eligibility for a renewal. If eligible your doctor or the Board of Health are required to explain in writing why you still need the emergency service. We will NOT shut off your service during your health emergency as long as you have provided National Grid with the proper documentation. However, you are still responsible for paying your National Grid bill.

Life Support Customers - Your account will be coded and your meters will be tagged to alert equipment such as home dialysis kidney machine, continuous ventilation devices, suction (aspiration) machines, apnea monitors for infants or other life sustaining equipment in use at the residence. This coding will alert our phone center representatives and field service workers of the household's special needs, as well as alert us to your situation during unplanned power outages.

Third Party Notification - If circumstances make it difficult for you to track your National Grid account, you may designate a relative, friend or agency to help you. They will receive a reminder from us if your bill is overdue or your service is going to be turned off. The person or agency is NOT responsible for paying the bill, but can work with us to avoid problems with your account. If you qualify for special protections under this section, you would like to sign up for DirectPay or would like more information, please complete the attached Program Enrollment Form.

Reconnecting Services
We will reconnect service within 24 hours when you pay the full amount due, OR you are eligible and sign a payment agreement and make any necessary down payment on your bill, OR you have a serious threat to health or safety.
If you receive public assistance in the form of direct payment or written guarantee, we will turn your service back on within 24 hours after you receive a notice of payment from the social service agency helping you.

Reconnection Fees
We charge a fee to reconnect service. This charge is higher if we restore service outside normal working hours: 8 a.m. – 4 p.m., Monday–Friday, except holidays. The fee is also higher if the request was made in the street instead of at the meter.
If we do not reconnect your service within 24 hours of receiving the above conditions—except when it is beyond our control—we will pay you a fee for each additional day you are without service.

Deposits
If you are a short-term or seasonal customer, we may ask you for a deposit. Deposits will earn interest at a rate set by the PSC. We will hold the deposit until 12 consecutive months of timely payments have been received. At that time, we will refund your deposit plus interest. If your payments are not current, we will hold the deposit and credit the interest to your account annually.

Shared Meters
If you are a residential building tenant, you are not obligated to pay for electric or gas service for any area outside your own dwelling unit. For more information about Shared Meter conditions, please call 1-800-642-4272.

Tenants in Multiple Dwellings
If you live in a building with three or more apartments where your landlord pays to provide the electric and gas bill for each he or she is responsible, you may be able to keep the deposit and credit the interest to the other tenants to pay the bill. The tenants only have to pay the current bill and you, by law, deduct your share from your rent. Similar protections apply to tenants in two-family dwellings.
