Smart meters are coming soon, providing:

- **MORE CUSTOMER CONTROL:** continuous, secure access to your energy data—for more insight into your energy efficiency and usage decisions.
- **FASTER, NEAR REAL-TIME ENERGY READINGS:** available within minutes, through your *My Account portal*.
- **FASTER RESPONSE:** enhanced outage monitoring and storm response.
- **AND MORE FEATURES** — still to come.

It's all part of our ongoing commitment to empower customers—while working to build a more reliable, robust and climate-friendly energy grid for the future.
