

MASSACHUSETTS ELECTRIC COMPANY

STREET LIGHTING – UNDERGROUND – DIVISION OF OWNERSHIP S-3
RETAIL DELIVERY SERVICE

AVAILABILITY

Service is available under this rate to any municipal city or town, hereinafter referred to as the Customer, only for street lighting installations served by underground conductors and involving a division of ownership and service as set forth in the options below.

Options

- A. Under this option the Customer agrees to install, own, and maintain all foundations on which the Company will set its standards and luminaires, and all conduit in which the Company will run its circuitry.
- B. Under this option the Customer agrees to install and own all equipment necessary for an underground served street lighting installation, and requests the Company to provide electricity for light operation and service for certain portions of the equipment. This option is closed for service to new customers or lights effective March 1, 1998.

Qualifications

1. For municipal-owned or accepted roadways that include those classified as “private areas” for which a municipal Customer has agreed to supply street light service.
2. For municipal-owned or accepted parking lots, driveways, and park walkways, if served underground.
3. Customer-owned installations must be compatible with adjacent company-owned equipment and be in accordance with Company specifications.
4. This rate is not available for locations inaccessible by standard Company motorized equipment, limited access highways, bridges, tunnels and the access and egress ramps thereto.
5. Option B is available to a contractor, developer or association of customers, wherein the municipality has not agreed to accept responsibility for future payment of such lights.
6. Temporary Turn Off of street lighting service under Option A of this tariff is available to any municipal Customer that has requested to temporarily discontinue street lighting service received under this rate. Temporary Turn Off Service under Option A of this tariff provides for the Company’s street lighting facilities to remain in place in anticipation of reinstatement of Street Lighting – Underground – Full Service. The Customer shall be allowed to temporarily turn off Street Lighting – Underground – Full Service and will be billed under this tariff in accordance with the Temporary Turn Off provision included in this tariff, provided that the Customer has complied with all provisions and terms of the Company’s Street Lighting – Underground – Full Service provisions of this tariff and any related service agreements.
7. The permanent discontinuance of street lighting service is also available under Option A of this rate; however, such discontinuance is completed by removal of the Company’s street lighting facilities from the location or in-place retirement of the Company’s facilities at the location at which service is discontinued.

3. Rate for Retail Delivery Service

Customers receiving delivery service under this rate shall be charged the applicable charges contained in the Summary of Electric Service Rates Tariff as in effect from time to time.

CUSTOMER PURCHASE AND MAINTENANCE OF STREETLIGHTS (Option A)

Customers, specifically municipalities limited to cities and towns, under this Tariff shall have the option to purchase and maintain street lighting facilities by executing a separate agreement with the Company specifying the facilities purchased and price, and assigning to the Customer all rights, responsibilities, and obligations associated with

MASSACHUSETTS ELECTRIC COMPANY

STREET LIGHTING – UNDERGROUND – DIVISION OF OWNERSHIP S-3
RETAIL DELIVERY SERVICE

the luminaire or other non-distribution street light pole or standard ownership and maintenance. The agreement shall require the Customer to assume all liability and indemnify the Company for all damages, claims, and liabilities associated with the ownership, maintenance, and operation or failure of operation of the luminaires and non-distribution street light poles or standards so purchased, and the Company shall have the right to require the Customer to purchase insurance or a bond naming the Company as beneficiary to assure such indemnification and assumption of liability is effective. Under no circumstance shall the Company have the obligation to maintain facilities and equipment sold to the Customer absent the execution of a separate agreement for maintenance. All facilities and equipment purchased pursuant to this provision shall be on an AS IS basis without any warranty, whether express or implied. The Company will charge and the Customer will pay distribution, transmission, transition, DSM and renewables charges, and any other charges that the Department deems appropriate, in accordance with a separate tariff established by the Company and approved by the Department.

RATE ADJUSTMENT PROVISIONS

The charges for delivery service under this rate shall be subject to adjustment pursuant to the following provisions:

- Attorney General Consultant Expenses Provision
- Basic Service Adjustment Provision
- Capital Investment Recovery Provision
- Electric Vehicle Program Provision
- Energy Efficiency Provision
- Net Metering Provision
- Pension/Post-retirement Benefits Other than Pension Mechanism Provision
- Performance-Based Ratemaking Provision
- Renewable Provision
- Renewable Energy Recovery Provision
- Residential Assistance Adjustment Provision
- Revenue Decoupling Mechanism Provision
- Smart Grid Adjustment Provision
- SMART Provision
- Solar Cost Adjustment Provision
- Storm Fund Replenishment Provision
- Tax Credit Provision
- Transition Cost Adjustment Provision
- Vegetation Management Pilot Provision

TRANSMISSION SERVICE

Transmission service is available to all retail customers taking service under this rate. For those customers, the transmission charge determined under this rate shall be calculated in accordance with the Company's Transmission Service Cost Adjustment Provision.

BASIC SERVICE

Any Customer who does not have a supplier other than the Company will receive and pay the Company for Basic Service in accordance with the terms and price for Basic Service established by the Department of Public Utilities.

MASSACHUSETTS ELECTRIC COMPANY

STREET LIGHTING – UNDERGROUND – DIVISION OF OWNERSHIP S-3

INSTALLATION, REMOVAL OR REPLACEMENT CHARGE (Option B)

The Company will charge per fixture (bracket, luminaire, conductors, and ancillary equipment) each time a fixture or its separate components are installed, removed or replaced unless the installation, removal, or replacement is at the convenience of the Company. If the installation, removal and replacement of a luminaire are done at the same time, resulting in one site visit, the Customer will be charged one time per lighting facility. If the removal, replacement or installation are done at two different times resulting in two site visits, the Customer will be charged once for the removal and once for the replacement/installation of each lighting facility.

RELOCATION CHARGE (Option B)

The Company will charge a Relocation Charge per luminaire if the Customer desires to relocate an existing luminaire onto another pole.

RELAMPING (Options A & B)

All inoperable lamps will be spot replaced. The customer is responsible for notifying the Company of inoperable lamps.

CLEANING (Options A & B)

All fixtures will be cleaned at intervals concurrent with relamping.

PHOTOELECTRIC CONTROLS (Options A & B)

Defective photoelectric controls will be replaced as part of this rate at no extra charge.

DEFECTIVE AND/OR DAMAGED EQUIPMENT (Option B)

Equipment eligible for replacement by the Company will be photoelectric controls and lamps.

luminaires, poles and brackets damaged by accident or vandalism will be replaced and re-installed by the Customer or re-installed by the Company but only where such equipment is compatible and/or interchangeable with Company-owned equipment and the Customer will be charged an applicable charge.

Foundations, ducts, and wiring within underground ducts, and such other equipment as is not compatible or inter-changeable with Company-owned equipment, must be repaired or replaced by the Customer.

CREW PROTECTION (Options A & B)

The Customer shall be responsible for the cost of any required police details or road flaggers for services provided under this rate.

SPECIAL EQUIPMENT (Option B)

Types of luminaires or standards desired by a customer which are not included in the Company's Construction Standards Book will be considered as special. Before such equipment will be considered for use, it must meet all Company's Standards' requirements. If such equipment is then approved, the annual rate will be determined according

to filed rates if possible, or if cost factors do not approximate filed rates, according to cost conditions existing at the time of installation.

The Company reserves the right of final decision on the use of special equipment.

TERMS OF AGREEMENT (Options A & B)

Five years unless otherwise specified. Upon expiration of the initial or any subsequent period of any agreement, unless otherwise specified, it will continue for additional periods of one year unless either party has given to the other at least 45 days' written notice prior to the requested date of termination.

PERMANENT DISCONTINUANCE OF LIGHTING FACILITIES (Option A)

The Customer may permanently discontinue lighting facilities, owned by the Company, at no cost to the Customer, limited to a quantity not to exceed one (1) percent of the total number of lighting assemblies assigned to the Customer's billing account under this tariff within the given calendar year. The request by a Customer for the permanent discontinuance of lighting in excess of one (1) percent as stated above may be performed by mutual agreement upon payment by the Customer to the Company in an amount equal to the sum of the unamortized balance of the original installation costs, removal and restoration costs and any street light system reconfiguration costs to maintain all other active lights.

HOURS OF OPERATION (Options A & B)

All street lights will be operated nightly from approximately one-half hour after sunset until approximately one-half hour before sunrise, a total of approximately 4,175 hours each year.

FAILURE OF LIGHTS TO OPERATE (Options A & B)

Should any light or lights fail to operate the full period provided therefore, except as hereinafter specified, a deduction will be made from the charges under this rate, other than the Support and Accessory Charge for such light or lights, upon presentation of a claim therefore from the Customer, equivalent to such part of the annual price thereof as is equal to the ratio that the time of any outage bears to the annual operating time of such light or lights. The provisions of this paragraph will apply only if such failure is due to some cause or condition which might reasonably have been prevented by the Company and without limiting the generality of the foregoing will not apply in case such failure is due to an act of God or an act or order of any public authority or accidental or malicious breakage; provided, however, that in the latter case the necessary repairs are made with reasonable dispatch upon notification by the Customer.

LOCATION OF STREET AND AREA LIGHTS (Options A & B)

The Customer bears sole responsibility for determining where street and area lights will be placed and the type of lamp/luminaire used at each location. The Company bears no responsibility for, and makes no representations or warranties concerning, the locations and lamps/ luminaires selected by the Customer or the adequacy of the resulting lighting.

RELOCATION OF LIGHTING FACILITIES (Option A)

A Customer may request the relocation of existing street and area lighting facilities, owned by the Company, to another Customer specified location which meets all aforementioned terms and conditions of this tariff. The Customer will be responsible for all costs associated with the relocation as determined by the Company including but

not limited to the removal/retirement costs of non-transferable facilities, the installation of new facilities as required, the relocation of existing facilities, any electric system reconfiguration and all site restoration. The relocated facilities will continue to be billed under the Customer account as originally represented prior to the relocation.

DISCLAIMER OF LIABILITY (Options A & B)

The Company's duties and obligations under this tariff extend only to the Customer, and not to any third parties. The Company does not assume and specifically disclaims any liability to third parties arising out of the Company's obligations to the Customer under this section.

EXCESSIVE DAMAGE (Options A & B)

Excessive damage due to wanton or malicious acts will be charged to the Customer at the actual cost of labor and material required to repair or replace the unit. Excessive damage is defined as any lighting facility component such as a standard, luminaire, lamp, or conductor, which has been broken or damaged more than once in a twelve month period. Notification of excessive damage will be made to the Customer by the Company prior to billing for repairs.

ATTACHMENTS (Option A)

The Company has exclusive rights of ownership of the facilities defined within this tariff and reserves the privilege and sole discretion to permit the use of such facilities for the support and physical attachment of other, non-company owned equipment under the terms and conditions of a separate agreement or license. The Company may, at its sole discretion, provide electric delivery service as applicable under another tariff. The Company will have no responsibility for the attachments except as defined in the separate agreement or license. The attachment will not adversely impact the street and area lighting as defined within this tariff.

DETERMINATION OF MONTHLY BILL FOR UNDERGROUND-DIVISION OF OWNERSHIP S-3 (Options A & B)

The monthly bill will be based on the following:

1. Facility Charges

The Luminaire Charges and the Support and Accessory Charges will be based on the annual rates above divided by the number of days in the calendar year to arrive at a daily rate and multiplied by the actual number of days in the billing period as measured from the date immediately following the prior bill to the current bill date.

2. Energy Charges

Charges per kWh will be based on the annual kWh per luminaire above and including the watts for the ballast and photoelectric control. The monthly kWh amount shall be determined by allocating the number of annual operating hours for streetlights among the months as shown below. The sum of the monthly kWh for each light equals the annual kWh in this tariff. A daily kWh amount is determined from the monthly amount by dividing monthly kWh by the number of days in a month. The daily kWh amount is multiplied by the actual number of days in each calendar month during the billing period as measured from the date immediately following the prior bill to the current bill date and then multiplied by the charge per kWh.

The representation of applicable fees associated with specific agreement or license terms and conditions between the Customer and the Company will be imposed according to the agreements, licenses or as specified in the Terms and Conditions for Distribution Service, Appendix A, and presented as adjustments on the Customer's bill.

FARM DISCOUNT (Options A & B)

Customers who meet the eligibility requirements for being engaged in the business of agriculture or farming as defined in M.G.L. Chapter 128 Section 1a at their service location are eligible for an additional discount from their distribution service rates. The discount will be calculated as 10% of the Customer's total bill for service provided by the Company before application of this discount. Customers who meet the requirements of this section must provide the Company with appropriate documentation of their eligibility under this provision.

TERMS AND CONDITIONS (Options A & B)

The Company's Terms and Conditions in effect from time to time, where applicable hereto and not inconsistent with any specific provisions hereof, are a part of this rate.

II. UNDERGROUND - DIVISION OF OWNERSHIP – TEMPORARY TURN OFF SERVICE (Option A)

DETERMINATION OF MONTHLY BILL FOR TEMPORARY TURN OFF SERVICE

1. Facility Charges

The monthly bill will be based on the annual Temporary Turn Off Service rates above. The monthly charge will be based on the annual charge divided by the number of days in the calendar year to arrive at a daily rate and multiplied by the actual number of days in the billing period as measured from the date immediately following the prior bill to the current bill date.

MASSACHUSETTS ELECTRIC COMPANY

STREET LIGHTING – UNDERGROUND – DIVISION OF OWNERSHIP S-3
RETAIL DELIVERY SERVICE

NOTICE FOR TEMPORARY TURN OFF SERVICE

In order for a municipal Customer to be served under the Temporary Turn Off Service provision of this tariff, the municipal Customer must provide written notice to the Company requesting such temporary turn off service. Such notice shall take the form of that provided by the Company and shall include the specific identification of Company lighting facilities to be temporarily turned off and the estimated length of the temporary discontinuance, however, shall be a minimum length of one year to a maximum length of three years. Such identification shall include sufficient information for the Company to easily locate its lighting facilities to be temporarily turned off for the purpose of turning off (red capping) the facilities.

The Company shall use its best efforts to turn off retail delivery service to its street lighting facilities within a reasonable length of time after receipt of the written notice required above. Depending upon the number of street lighting facilities to be temporarily turned off and the availability of the Company's crews, the Company may schedule such turn off over a period of time to allow for efficient operations. The Company reserves the right to be flexible in responding to the Customer's request. However, the Company shall complete all requests according to a mutually accepted schedule between the Customer and the Company upon receipt of written notice.

CREW PROTECTION

The Customer shall be responsible for the cost of any required police details or road flaggers for services provided under this option.

REINSTATEMENT OF STREET LIGHTING – UNDERGROUND – DIVISION OF OWNERSHIP – FULL SERVICE

The provision of this service by the Company is predicated on the Customer reinstating full street lighting service under Option A. The Customer's request to reinstate all or a portion of the Company's street lighting facilities served under this rate, after complying with the term of service provision of this tariff, must be in written form and identify the specific street lighting facilities for the Company to reinstate. Upon receipt of the Customer's request, the Company shall use its best efforts to return the street lighting facilities to Street Lighting - Underground - Full Service under Option A, as soon as possible after receiving the request. However, the Company reserves the right to flexibility in scheduling the reinstatement in an appropriate manner based on crew availability and the quantity of street light facilities requested to be reinstated. If the Customer requests reinstatement of Street Lighting - Underground - Full Service, Option A, prior to the minimum term of one year, the Company will charge the Customer a reactivation charge per street lighting facility.

TERM OF SERVICE

The municipal Customer must remain on this provision of the tariff for a maximum period of three years. At the end of the three year period, the Customer must provide written notice for (i) the municipal Customer's return to Street Lighting - Underground - Full Service under this tariff as provided for above, (ii) the permanent discontinuance of the street lighting facilities, as provided for above in Section I, or (iii) the Customer's ability to take advantage or another available street lighting tariff for retail delivery service to the street lighting facilities. The Company will continue to bill the Temporary Turn Off Charge until such time as the street lighting facilities are transferred to another delivery service selected by the Customer, or as assigned by the Company following the maximum three year term of service.

FARM DISCOUNT

Customers who meet the eligibility requirements for being engaged in the business of agriculture or farming as defined in M.G.L. Chapter 128 Section 1a at their service location are eligible for an additional discount from their distribution service rates. The discount will be calculated as 10% of the Customer's total bill for service provided by the Company before application of this discount. Customers who meet the requirements of this section must provide the Company with appropriate documentation of their eligibility under this provision.

TERMS AND CONDITIONS

The Company's Terms and Conditions in effect from time to time, where applicable hereto and not inconsistent with any specific provisions hereof, are a part of this rate.
