

**Street Lighting Rate**  
**Boston Division**  
**Classification No. G-7B**

**Availability:**

Available to any customer located in the Boston Division service territory for gas used for the purpose of street lighting.

**Rate:** Bills to be rendered monthly.

**Fixed Charge Per Lamp:** \$1.50 per 30 Day Month

**Volumetric/Hourly Conversion Factor:**

**November - April** 0.0424 per therm/hour

**May - October** 0.0424 per therm/hour

**Lighting and Extinguishing:**

The customer shall furnish the Company with the schedule of burning hours of lamps which the customer will maintain. Any excess burning hour of lamps, due to the failure of the customer to light and extinguish all lamps within fifteen minutes of the times fixed such schedule, shall be subject to the running charge.

The number of lamps in service during each calendar year shall be furnished to the Company by the customer on or before the third day of the succeeding month.

**Allowance for Inadequate Supply of Gas:**

Provided written notice of an inadequate supply of gas to any lamp is received by the Company, a deduction from the monthly charges shall be made in the amount of one half cent (\$0.005) per hour for each burning hour during which such inadequate supply of gas continues, except that no such deduction shall be made for the first twenty-four (24) hours after receipt of such notice and no such deduction shall be made for failure of the Company to deliver an adequate supply of gas because of certain frost stoppages in the service pipe which shall be service by the customer or his agent in accordance with the following paragraph.

**Service:**

The Company will, except when prevented by circumstances beyond its control, furnish a continuous adequate supply of gas to each lighting fixture, except that any frost stoppage in a service pipe which can be cleared by the use of alcohol (to be supplied by the Company) will be served by the customer or the customer's agent. The lamp, post, burner, pressure regulator and other parts of the gas lamp (except the service pipe to the fixture) are the property of the customer, the customer's principal or agent, and maintenance or repair work performed by the Company (except to the service pipe in the lighting fixture) shall be at the expense of the customer, and any change in location of an installed lamp will be made only at the expense of the customer.

**Street Lighting Rate**  
**Boston Division**  
**Classification No. G-7B**

**Installation and Discontinuance:**

Lamp posts are installed by the Company at the expense of the customer for use at this rate only on the basis of permanent service. A customer may discontinue any lamp or lamps by written notice to the Company, but the customer will be required to pay the entire expense in connection with such discontinuance including the cost of materials, labor, trucking and the restoration of the street or sidewalk surface and to assume all liability arising after such removal.

**Other Charges for Distribution Service and Minimum Charge:**

The customer must also pay such charges and adjustments as are set forth in the Company's Local Distribution Adjustment Clause (LDAC) and Performance-Based Ratemaking (PBR) Plan filings, as in effect from time to time and on file with Massachusetts Department of Public Utilities (Department). The Company will convert the volumetric Local Distribution Adjustment Factor to an hourly rate in accordance with the Volumetric/Hourly Conversion Factor above. The minimum charge per month shall be the Fixed Charge per lamp.

**Supply Charges:**

If the customer purchases its gas from a third party, supply charges will be as agreed upon between the customer and the third party supplier (and may be billed directly by the third party supplier or through the Company as a separate item in the Company's bills to the customer). If the customer does not purchase its gas from a third party, it will receive Default Service from the Company and will pay the Company's Cost of Gas Adjustment Clause (CGAC) in effect from time to time and on file with the Department. The Company will convert the volumetric Gas Adjustment Factor to an hourly rate in accordance with the Volumetric/Hourly Conversion Factor above.

**Terms and Conditions of Distribution Service:**

As in effect from time to time.
