

**Outdoor Gas Lighting
Boston Division
Classification No. G-17B**

Availability:

Available to all customers located in the Boston Division service territory for outdoor gas lighting where a standard gas light is attached to the Company's existing distribution system and when it is not feasible to meter gas for such lighting along with other gas used on the premises and bill the same under the rate in effect for all other service. All such installations shall be on private property.

Character of Service:

Unmetered gas service for outdoor lighting. Natural gas containing not less than 960 B.T.U. per cubic foot.

Rate: Applicable to each gas light:

Fixed Charge Per Lamp: \$3.20 per 30 day month

Minimum Monthly Charge:

The sum of the Rate and the Local Distribution Adjustment Factor, as calculated below. For Default Service customers, the minimum charge will also include the Gas Adjustment Factor as calculated below.

Other Charges for Distribution Service and Minimum Charge:

The customer must also pay such charges and adjustments as are set forth in the Company's Local Distribution Adjustment Clause (LDAC) and Performance-Based Ratemaking (PBR) Plan filings, as in effect from time to time and on file with Massachusetts Department of Public Utilities (Department). The customer will pay \$0.22 for each \$0.01 per therm of the Company's Local Distribution Adjustment Factor.

Supply Charges:

If the customer purchases its gas from a third party, supply charges will be as agreed upon between the customer and the third party supplier (and may be billed directly by the third party supplier or through the Company as a separate item in the Company's bills to the customer). If the customer does not purchase its gas from a third party, it will receive Default Service from the Company and will pay \$0.22 for each \$0.01 per therm of the Company's Cost of Gas Adjustment Factor in effect from time to time and on file with the Department.

Terms and Conditions of Distribution Service:

As in effect from time to time.
