

# Save energy and receive financial incentives with the Auto-DLM Program

For commercial customers in upstate NY

## Working together to lower peak energy demand.

There are times throughout the summer when electricity use in our community reaches its highest levels. By reducing overall energy demand during these events, we can decrease our need for costly infrastructure upgrades and minimize carbon emissions. That's why we are working with experienced Curtailment Service Providers (CSPs) to offer our Commercial and Industrial customers generous incentives to participate in our Auto Dynamic Load Management (Auto-DLM) program.

## Select your Curtailment Service Provider to get started.

Contact one of our active Curtailment Services Providers to tap into their demand response expertise:

- Auto-Grid: **540-418-7132** or [mark.ohrenberger@auto-grid.com](mailto:mark.ohrenberger@auto-grid.com)
- CPower: **844-996-4743** or [NGRID@CPowerEnergyManagement.com](mailto:NGRID@CPowerEnergyManagement.com)
- EnelX (Formerly EnerNOC): **888-363-7662** or [support.enelx@enel.com](mailto:support.enelx@enel.com)
- NRG Energy: **877-711-5453** or [Customer\\_info@nrg.com](mailto:Customer_info@nrg.com)
- NuEnergy: **866-977-0901 x1** or [sales@nuenergy.com](mailto:sales@nuenergy.com)
- Rodan Energy Solutions: **609-201-2171** or [John.Carroll@rodanenergy.com](mailto:John.Carroll@rodanenergy.com)
- Voltus: **412-303-1125** or [aschneider@voltus.co](mailto:aschneider@voltus.co) or [info@voltus.co](mailto:info@voltus.co)

You may also enroll with your own Curtailment Service Provider, not listed above. If you wish to participate through a CSP not listed, please email [TermandAutoDLM@nationalgrid.com](mailto:TermandAutoDLM@nationalgrid.com)

## Saving energy is even more rewarding when you curtail electricity during demand response events.

### INCENTIVE PAYMENT

#### Reservation Payment Option:

Work with your curtailment service provider to bid your rate for participating in Auto-DLM.

#### Voluntary Payment Option:

\$0.10/kWh for every kWh reduced during Auto-DLM events

Learn more about Electric Demand Response at [ngrid.com/electricidr](http://ngrid.com/electricidr) or scan the QR code.

## Eligibility Requirements

- Customers must be a National Grid electric customer in New York State.
- Customers must be served under service classification numbers 1, 1C, 2, 3, 3A, 4, 7, or 12.
- Participants must have a communicating Billing Interval Meter. Please call customer service at **1-800-932-0301** to inquire about obtaining an interval (hourly) meter from National Grid.
- Customers can participate through an approved curtailment service provider or must be able to curtail 50kW individually.
- For full list of requirements, please see Rule 65 of the Niagara Mohawk Electric Tariff.

## About Auto-DLM Program

- Customers participating in Auto-DLM sign a Program Agreement which commits the customer to a capacity reduction in exchange for a 3-5 year contract for load relief service at the accepted Reservation Payment Rate. Participants are required to participate during all contracted hours and during all test events. Test events will have one-hour duration and will be called during the four-hour contracted hours window.
- Auto-DLM Events require fast-responding load reduction and may be called with as little as 10 minutes' notice prior to a DR event.
- The Capability Period is May 1 – September 30; all events will be called in this timeframe.
- Events are called 7 days a week and participants must be available to curtail from 6 a.m. to 12 a.m. each day.

## About the Incentive

- Customers will receive Reservation Payments after the conclusion of each capability period they are enrolled in. Reservation Payments will be equal to the applicable Reservation Payment Rate per kW multiplied by the customer's Portfolio Quantity multiplied by the customer's Performance Factor as detailed in the Program Agreement.
- Performance Payments will be paid for all hours of performance during Auto-DLM events.

Please email [TermandAutoDLM@nationalgrid.com](mailto:TermandAutoDLM@nationalgrid.com) for any questions about participation.
