

Instant Rebates Up to \$3,000 per Unit

Con Edison and National Grid offer rebates to non-residential customers for the purchase and installation of energy-efficient foodservice equipment.

Save Money on Your Invoice

Skip the paperwork and receive a rebate directly on your invoice when you purchase qualifying natural gas foodservice equipment from participating vendors. See page 2 for a list of enrolled dealers.

Earn Lifetime Savings With High Efficiency

Cooking appliances can account for almost 35% of the average restaurant's energy costs. Energy-efficient equipment can lower these bills by as much as 75% without sacrificing performance.¹

Qualifying Equipment

Eligible **natural gas equipment** must be installed at an active, valid, non-residential National Grid or Con Edison natural gas service location. Eligible **electric equipment** must be installed at an active, valid, non-residential Con Edison electric service location. For a full list of eligible equipment, contact your sales representative.
