## Appendix C - Program Agreement Sample

Below is an example of a sample contract a Direct Participant or Aggregator will receive should they be selected for participation in either the Term-DLM Program or the Auto-DLM Program. This is not the final program agreement and is not exhaustive of the terms, conditions and requirements of the final program agreement.

## National Grid Contract for Term-DLM and Auto-DLM Enrolled Resources

This notice serves as the National Grid's intent to contract with [COMPANY] to provide the Portfolio Quantity committed via the Bid Form Application at the price submitted via the Proposal Submittal Process (Section 6 of the RFP) for a contracted period of THREE (3) years, beginning with participation in Capability Period [VINTAGE YEAR]. This contract is offered in accordance with National Grid's Term-DLM and Auto-DLM Procurement Document and the program details outlined in Rule 65 of the Tariff. This contract will only go into effect when it is fully executed by [COMPANY] and National Grid.
