Terms and Conditions

I request that National Grid discontinue and immediately turn off electric/gas service in the name shown above whenever a tenant of one of the locations listed requests that service be disconnected in their name.

I understand that National Grid is not required to contact me when tenants request to disconnect service.

Please Note: If you have listed a meter that is currently on in your name, we will have power disconnected and service will be taken out of your name once we have processed this application.

I agree that I will not make any claim for damages on the grounds that I did not authorize service to be taken out of my name. Please sign this application if you have read and accepted the Terms and Conditions above.
