### NOTICE OF FILING AND REQUEST FOR COMMENTS

D.P.U. 22-43

October 7, 2022

Petition of Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid, for recovery of incremental operations and maintenance expenses associated with fourteen (14) qualifying storm events that occurred between February 2020 through December 2020.

On August 12, 2022, Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid ("Company") submitted a storm fund cost recovery filing with the Department of Public Utilities ("Department") involving storm preparation and response costs associated with fourteen (14) storm fund-eligible storm events that occurred between February 2020 through December 2020 ("Storm Events"). The Company made the filing pursuant to Massachusetts Electric Company and Nantucket Electric Company, D.P.U. 18-150 (2019), and Massachusetts Electric Company and Nantucket Electric Company, D.P.U. 15-155-A (2017). The Department has docketed this matter as D.P.U. 22-43.

The Company requests approval to recover \$76,106,677 in incremental operations and maintenance ("O&M") costs associated with the Storm Events through its existing Storm Fund Recovery Factor ("SFRF"). The amount requested for recovery excludes: (1) \$1.55 million in per-storm deductibles totaling \$21,700,000; (2) \$12,208,040 in storm-related capital costs; (3) \$1,465,559 in storm-related removal/other costs; and \$1,349,577 charged to Verizon for the Storm Events. The costs submitted for recovery also exclude carrying charges. The Company states that the filing is a final accounting of the costs for the Storm Events and does not affect current rates. Further, the Company states that its filing demonstrates that its incremental O&M costs proposed for recovery are storm-related, incremental, prudently incurred, and greater than the applicable per-storm deductible and less than \$30 million (exclusive of Verizon costs) as established by the Department in D.P.U. 18-150. For these reasons, the Company states that its proposed recovery of costs through its SFRF is appropriate and warranted.

The Attorney General of the Commonwealth of Massachusetts ("Attorney General") filed a notice of intervention in this matter pursuant to G.L. c. 12, § 11E(a). Further, pursuant to G.L. c. 12, § 11E(b), the Attorney General has filed a notice of retention of experts and consultants to assist in her investigation of the Company's filing and has

requested Department approval to spend up to \$150,000 in this regard. Pursuant to G.L. c. 12, § 11E(b), the costs incurred by the Attorney General relative to her retention of experts and consultants may be recovered in the Company's rates.

Any person interested in commenting on the Company's filing or on the Attorney General's notice of intent to retain experts and consultants in this matter shall submit written comments to the Department no later than the close of business (5:00 p.m.) on **Wednesday, November 16, 2022**. Any person who desires to participate in the evidentiary phase of this proceeding shall file a written petition for leave to intervene no later than close of business (5:00 p.m.) on **Wednesday, November 2, 2022**. A petition for leave to intervene must satisfy the timing and substantive requirements of 220 CMR 1.03. Receipt by the Department, not mailing, constitutes filing and determines whether a petition has been timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 CMR 1.01(4). To be allowed, a petition under 220 CMR 1.03(1) must satisfy the standing requirements of G.L. c. 30A, § 10.

All documents must be submitted to the Department in **.pdf format** by e-mail attachment to [dpu.efiling@mass.gov](mailto:dpu.efiling@mass.gov) and [kerri.phillips@mass.gov](mailto:kerri.phillips@mass.gov). The electronic file name should identify the document but should not exceed 50 characters in length. Importantly, all large files submitted must be broken down into electronic files that do not exceed 20 MB. To the extent a person or entity wishes to submit comments or intervene in accordance with this Notice, electronic submission, as detailed above, is sufficient.
