NOTICE OF FILING AND REQUEST FOR COMMENTS

D.P.U. 26-GC-02

March 13, 2026

Petition of Boston Gas Company d/b/a National Grid for approval of a Firm Transportation Service Agreement between National Grid and Wellesley College pursuant to G.L. c. 164, § 94 and 220 CMR 5.03, effective May 1, 2026.

On February 27, 2026, Boston Gas Company d/b/a National Grid (“Company”) filed with the Department of Public Utilities (“Department”), pursuant to G.L. c. 164, § 94 and 220 CMR 5.03, a request for approval of a Firm Transportation Service Agreement (“Agreement”) between the Company and Wellesley College (“Customer”) for service to the Customer’s fuel plants at 106 Central, Wellesley, Massachusetts, 02481. The filing consists of the following: (1) an explanatory cover letter; (2) a copy of the Agreement; (3) a marginal cost analysis; (4) a comparison of the proposed contract rate to the Company’s otherwise applicable filed tariff rate; (5) a copy of the prior Firm Transportation Service Agreement that the Agreement is intended to replace (“2025 Agreement”); (6) a comparative cost analysis; and (7) an affidavit declaring that the Customer has a decarbonization strategy. Accompanying the filing are (1) a motion for protective treatment and (2) a plain language summary and outreach plan. The Department has docketed the petition as D.P.U. 26-GC-02.

The Company proposes a 12-month Agreement, effective May 1, 2026, subject to the Department’s review and approval. This Agreement supersedes the 2025 Agreement, which went into effect May 1, 2025, also for a term of 12 months. The Agreement provides for an Annual Contract Volume of 175,000 million British Thermal Units and a maximum Hourly Transportation Quantity (“MHTQ”) of 42,000 Cubic Feet Per Hour. The Customer asserts that it has the capacity to bypass the Company’s natural gas system with dual fuel capability, burning No. 6 fuel oil as a competitive alternative to natural gas. The Company asserts that the negotiated rate in effect for the Agreement exceeds the Company’s marginal cost to provide this service to the Customer.
