DEPARTMENT OF PUBLIC UTILITIES

NOTICE OF FILING AND REQUEST FOR COMMENTS

D.P.U. 26-PGAF-GRID

August 28, 2026

Petition of Boston Gas Company d/b/a National Grid pursuant to G.L. c. 164 and 220 CMR 6.04, 6.11 for approval of its 2026/2027 local distribution adjustment factor and peak gas adjustment factor filings, effective November 1, 2026.

On August 3, 2026, Boston Gas Company d/b/a National Grid ("Company") filed with the Department of Public Utilities ("Department") its seasonal local distribution adjustment factor ("LDAF") filing, pursuant to G.L. c. 164 and 220 CMR 6.11. The proposed LDAF rates include the residential assistance adjustment factor ("RAAF"), remediation adjustment factor ("RAF"), Attorney General consultant expense factor ("AGCEF"), energy efficiency surcharge ("EES"), Exogenous Cost Adjustment Factor ("ECAF"), pension adjustment factor ("PAF"), electronic payment recovery factor ("EPRF") and system supply factor ("SSF"). The proposed LDAF rates are for effect November 1, 2026. The proposed LDAFs also include the gas system enhancement adjustment factor ("GSEAF") that was approved in Boston Gas Company, D.P.U. 25-GSEP-03 (April 30, 2026), for effect May 1, 2026. The Department has docketed this petition as D.P.U. 26-PGAF-GRID.

The table below summarizes the proposed rates in dollars per therm:

<u>Boston Gas Company</u>		<u>Former Colonial Gas</u>	
<u>Rate Class</u>	<u>LDAF</u>	<u>Rate Class</u>	<u>LDAF</u>
Residential (R-1, R-3)	\$0.6809	Residential (R-1, R-3)	\$0.5039
Residential Low-Income (R-2, R-4)	\$0.5452	Residential Low-Income (R-2, R-4)	\$0.3682
Small Commercial & Industrial ("C&I")	\$0.4779	Small C&I	\$0.2983
Medium C&I	\$0.4201	Medium C&I	\$0.2816
Large C&I	\$0.3998	Large C&I	\$0.2307
X-Large C&I	\$0.3404		

The Company proposes an EES of \$0.3080 for residential customers and \$0.1371 for C&I customers. If the Department approves the Company's LDAFs as proposed, a typical Boston Gas residential heating customer will see an **average winter monthly bill increase of \$13.16, or 4.6 percent**, compared to the LDAF that went into effect on November 1, 2025. A typical former Colonial Gas residential heating customer will see an **average winter monthly bill increase of \$8.91, or 3.3 percent**, compared to the LDAF in effect on November 1, 2025. For specific bill impacts, please contact the Company as shown below.

The Company has also submitted an alternative proposal to recover 50 percent of its EES costs in the 2027 summer period rather than the 2026/2027 winter period. Under the Company's alternative proposal, a typical Boston Gas residential heating customer will see an **average winter monthly bill increase of \$0.62, or 0.2 percent**, compared to the LDAF in effect on November 1, 2025, and an **average summer monthly bill increase of \$4.07, or 7.5 percent**, compared to the average LDAF in effect during the 2026 off-peak season. A typical former Colonial Gas residential customer will see an **average winter monthly bill decrease of \$3.63, or 1.3 percent**, compared to the LDAF in effect on November 1, 2025, and an **average summer monthly bill increase of \$3.99, or 7.9 percent**, compared to the LDAF in effect during the 2026 off-peak season

The Company is required to file its peak gas adjustment factor ("GAF") filing in this docket no later than September 17, 2026, at least 45 days prior to the date on which the proposed GAFs are to be effective (November 1, 2026). The Company may, at any time during the peak period, submit an amended GAF filing. The amended GAF filing must be submitted seven business days before the first billing cycle of the month in which it is proposed to take effect.

Any person interested in commenting on the **LDAF** filing may submit written comments no later than the close of business (5:00 p.m.) on **Friday, September 25, 2026**, using the method described below. Any person interested in commenting on the **GAF** filing may submit written comments no later than the close of business on **Friday, October 2, 2026**, using the method described below. The Department strongly encourages public comments to be submitted by email. If, however, a member of the public is unable to send written comments by email, a paper copy may be sent to Peter A. Ray, Secretary, Department of Public Utilities, One South Station, Boston, Massachusetts, 02110.

All documents should be submitted to the Department in .pdf format by e-mail attachment to dpu.efiling@mass.gov and Mathieu.Cunha@mass.gov. In addition, one copy of all written comments should be emailed to the Company's attorney, Christopher R. Tuomala, Esq., at Christopher.Tuomala@nationalgrid.com. The text of the e-mail must specify: (1) the docket number of the proceeding (D.P.U. 26-PGAF-GRID); (2) the name of the person or company submitting the filing; and (3) a brief descriptive title of the document.

All documents submitted in electronic format will be posted on the Department's online [File Room](#) as soon as practicable (enter "26-PGAF-GRID" on the line for Docket No.). Please note that in the interest of transparency any public comments will be posted to our website as received, without redacting personal information, such as addresses, telephone numbers, or email addresses. As such, consider the extent of information you wish to share when submitting comments. To the extent a person or entity wishes to submit comments in accordance with this Notice, electronic submission, as detailed above, is sufficient.

To request materials in accessible formats (Braille, large print, electronic files, audio format), contact the Department's ADA coordinator at eeadiversity@mass.gov or (617) 626-1282.

For further information regarding the Company's filing please contact the Company's attorneys, identified above. For further information regarding this Notice, please contact Mathieu Cunha, Hearing Officer, Department of Public Utilities, at Mathieu.Cunha@mass.gov.

DEPARTMENT OF PUBLIC UTILITIES

ORDER OF NOTICE

D.P.U. 26-PGAF-GRID

August 28, 2026

Petition of Boston Gas Company d/b/a National Grid, pursuant to G.L. c. 164 and 220 CMR 6.04, 6.11 for approval of its 2026/2027 peak local distribution adjustment factor and gas adjustment factor filings, effective November 1, 2026.

Boston Gas Company d/b/a National Grid ("Company") is required to serve a copy of the attached Notice of Filing and Request for Comments no later than **September 3, 2026**, on: (1) the service lists for Boston Gas Company, D.P.U. 26-OGAF-GRID, and Boston Gas Company, D.P.U. 25-PGAF-GRID; (2) the Attorney General of the Commonwealth; and (3) on any person who has asked to be notified by the Company. The Company's service may be by electronic distribution, which the Department finds reasonable and consistent with the public interest.

The Company shall prominently display the notice on its website from three business days following receipt of the notice from the Department through the end of the comment period. The Company shall provide the Department with return of service and proof of website posting at the close of the comment period.

By Order of the Department,

/s/
Peter A. Ray, Secretary
