D.P.U. 26-POR-01

March 31, 2026

Petition of Massachusetts Electric Company and Nantucket Electric Company d/b/a National Grid pursuant to the Companies' tariffs M.D.P.U. Nos. 1420 and 1421, § 8B for review and approval by the Department of Public Utilities of the Companies' Standard Complete Billing Percentages for effect May 1, 2026, under the Companies' Purchase of Receivables Program.

On March 13, 2026, Massachusetts Electric Company and Nantucket Electric Company d/b/a National Grid ("Companies") filed with the Department of Public Utilities ("Department") their calculation of purchase of receivables ("POR") discount rates by customer class for effect May 1, 2026. The Companies made this filing pursuant to the Companies Terms and Conditions for Competitive Suppliers (M.D.P.U. No. 1420, § 8B) and Terms and Conditions for Municipal Aggregators (M.D.P.U. No. 1421, § 8B). The Department docketed this filing as D.P.U. 26-POR-01.

The Companies' POR Program provides for the Companies to purchase, at a discounted rate, the billing accounts receivable of competitive suppliers operating in the Companies' service territory that take standard complete billing service from the Companies. The discounted rate, called the standard complete bill percentage ("SCBP"), is set annually for effect May 1, 2026 for a 12-month period. The SCBP is comprised of the following: (1) the uncollectible percentage, which is calculated for each customer class based on actual uncollectible expense data for all distribution customers in that class; (2) administrative costs incurred by the Companies in implementing the POR Program; and (3) the reconciliation of projected and actual uncollectible expenses experienced during the previous year. M.D.P.U. No. 1421, § 8B.2.b; M.D.P.U. No. 1420, § 8B.2.b.

In its filing, the Companies propose the following SCBPs for effect May 1, 2026:

<b>Customer Class</b>	<b>SCBP</b>
Residential	2.56 %
Commercial	(0.12) %
Industrial	1.30 %

The Companies also state that the average historical payments that will be in place effective May 1, 2026 are as follows:

<b>Customer Class</b>	<b>Days</b>
Residential	49
Commercial	52
Industrial	45
