

# See if you qualify for no-cost energy-efficiency upgrades.

## It all starts with a no-cost Home Energy Assessment by the Home Energy Affordability Team (HEAT<sup>SM</sup>).

National Grid knows that your health, comfort and savings are now more important than ever. If you qualify as income eligible, we may be able to help by creating a more energy-efficient living environment that's healthier, more comfortable and more affordable for you and your family—at no cost to you.

### HOW TO PARTICIPATE:

1. Schedule a Home Energy Assessment with a HEAT<sup>SM</sup> Energy Specialist, either in-person at your home or remotely over the phone.
2. You will receive no-cost carbon monoxide and smoke detectors, as well as energy-saving products, including faucet aerators and low-flow showerheads.
3. Based on the results of your Home Energy Assessment, you may qualify for **no-cost** energy-saving upgrades such as:

### FIND OUT IF YOU QUALIFY NOW.

We're ready to help. Find out if you qualify for these energy-saving services by calling 844-375-HEAT (4328). Visit [ngrid.com/li-affordable](http://ngrid.com/li-affordable) to learn more.
