

Recharge your ride with
National Grid and BMW.

We're partnering with BMW to help electrify your driving experience with the new BMW i3 or i3s.

Affordability

National Grid customers can take advantage of the i3 purchase incentive of \$10,000.* Bring your [printed customer information form](#) and recent National Grid bill to your local BMW dealer. You must be a customer of National Grid New York.

*Incentive does not apply to leases.

Special Electric Rate

National Grid offers a risk-free electric vehicle pricing plan to cut vehicle recharging costs.

Improved Convenience

Recharge by plugging into a basic outlet at home or at work. Plus, there's a growing network of charging stations available when traveling.

And don't forget

The BMW i3 pairs top performance with style and eco-friendly driving, making it the Ultimate Driving Machine – ELECTRIFIED!

Visit www.BMWUSA.com/i3 to learn more.

¹BMW Pre-Owned Vehicles, BMW Company Vehicles, Extended Test Drive, Shuttle or Limo and Retired Service Loaner Vehicles are not eligible. The i3 Purchase Incentive cannot be used in conjunction with other programs and special offers.

Specific vehicles are subject to availability. Incentive is subject to change without notice and should be confirmed with your dealer at the time of transaction. The i3 Purchase Incentive must be used at time of purchase. Visit your authorized BMW dealer for important details.

²Tax credits and state rebates are complicated and subject to change without notice. While National Grid and BMW of North America, LLC., do their best to keep this information up-to-date, they cannot guarantee the current accuracy or your eligibility. We recommend consulting a tax professional to validate credit and rebate availability as well as eligibility.

Take advantage of the following potential savings:
